PRESENTATION

Instructions

Prepare and deliver a 4- to 5-minute presentation introducing yourself and your area of research. Please use visual aids to illustrate your words. The following are points you could include in your presentation:

1) Introduce yourself and something interesting about your background (e.g., family, hometown, country).
2) Describe what excites you about your area of study and/or research focus.
3) Explain why you chose to study this topic at NUS.
4) Discuss what you hope to do once you complete your NUS degree.

The following criteria will be used to assess your presentation:

Content and Organization 30%

- Points well suited to the audience
- Technical concepts are easy to understand
- Appropriate organizational format (e.g., past, present, future; problem/solution; goals, procedures, outcomes)
- Clear transitions between points

Language and Vocal Elements 30%

- Grammatical accuracy
- Appropriate word choice
- Pronunciation
- Volume and vocal energy
- Pacing, fluency & pauses

Visual Elements 30%

- Eye contact
- Facial expression
- Gesture
- Posture & stance
- Confidence & enthusiasm

Visual Aids 10%

- Design of visual aids
- Use of visual aids

Please practice your presentation so that you speak for a minimum of four and no more than five minutes.
