Cause-Effect Paragraphs
Peer Review Checklist

From this list of items, choose those that you would like your reviewer to comment on. Add any other items or questions on which you would like some feedback. Then give your checklist to your reviewer along with your draft assignment.

1. Topic sentences that have a clear claim and controlling idea

2. Supporting sentences that build, explain or develop the topic sentences

3. Integration of ideas from other sources (paraphrased, summarized or quoted)

4. Paragraph unity, coherence and cohesion
    - ideas presented in a logical order
    - given-to-new progression
    - use of connective devices
    - *this* + summary word
    - clear pronouns

5. Grammar
    - words in the proper form
    - articles
    - sentence structures

6. In-text citations and References at the end
