完全不是假设。他们对我们很好，很慷慨。

00:03
The DS. I think of the D A assumption is always that you will have humanities phd because you're just stupid from math phd.
DS。我认为d.a.的假设是你会有人文博士学位因为你只是个数学博士。

00:12
And.
和。

00:15
I think, in my case, that's not true. But I think, you know, it's just this assumption, right? Oh, you know how to read, reading, that.
我认为，在我的情况下，这不是真的。但我认为，这只是一个假设，对吧？你知道怎么读书，读书，那个。

00:25
Look at stuff, but we can, and therefore, you know, getting through is always hard. And I was alone, you can just say, look, I just.
看东西，但我们可以，因此，你知道，通过总是很难的。我一个人，你可以说，看，我只是。

Fixed the algorithm and ran the data. And here are, you know, 18 million simulations, and low and behold, and you are wrong, and I'm right.
修正了算法，运行了数据。你知道，这里有一千八百万次模拟，你看，你是错的，我是对的。

00:45
And of course, I'll do that to the nasty people, not to the nice ones, but it is stunning.
当然，我会对那些讨厌的人这么做，而不是对好人，但这是惊人的。

00:54
It is totally, totally stubbing.
它完全是，完全是存根。

01:09
It is. It is special. What do you think I was going to ask you as graduate students, though, is, you know, when I was a graduate student, which is admission.
它是。它很特别。你们觉得我作为研究生会问你们什么呢，当我还是研究生的时候，也就是入学问题。

01:18
A very long time ago, and, you know, after the library closed, because, you know, these still black blocks, our libraries mattered.
很久以前，你知道，在图书馆关门之后，因为，你知道，这些仍然是黑色的街区，我们的图书馆很重要。

01:26
You know, at ten or so, you know, we just dropped our hands and served our laptops and then for drink.
十点左右的时候，我们就放下手，端上笔记本电脑，然后去喝饮料。

We do do the discussing, but mostly just over coffee drink.
我们确实会讨论，但主要是在喝咖啡的时候。

01:52
That's so sad.
太悲哀了。

01:56
Well, you know, there you go. I mean, like, the campus doesn't really lend itself hard.
好吧，你知道的，这就对了。我是说，校园里不太适合我。

02:02
I noticed, and that's sad. Do you actually have a bar in your other bars, in residential units here? Yes, but I think the whole culture has died down.
我注意到了，这很可悲。你们在其他的酒吧里有酒吧吗，在这里的住宅里？是的，但我认为整个文化已经消失了。

02:13
I think COVID killed it. And then, before that, I did think that the building, dear riots, killed drinking.
我认为COVID扼杀了它。然后，在那之前，我确实认为大楼，亲爱的暴乱，扼杀了饮酒。

02:21
We can order any drinks, which was a strange thing, because you could just drink in public places before then.
我们可以点任何饮料，这很奇怪，因为在那之前你可以在公共场所喝酒。

02:28
It's fine. And there was no, like, there's no confusion, right? You could drink all through the night. And then the little India rights with the confusion.
它很好。没有，没有任何困惑，对吧？你可以喝一整晚。然后是小印度的权

利和混乱。

02:37
I'm then COVID just killed.
我被COVID杀死了。

我的意思是，我不是在说，你知道的，瑜伽盒之类的东西，不是，但我不是说我，我一直在喝啤酒，你知道，你是夜猫子。不，不，不。我问过。

02:55
But Leon, we don't think, because we're all I know that it's terrible. The next day.
但是里昂，我们不认为，因为我们都知道这很可怕。第二天。

03:04
And that is one of the things, you know, in your twenties, you can still have a lush evening. And then, you know, show up at 09:00 at morning. No more. But I also see any other things that, you know.
这是其中一件事，你知道，在你20多岁的时候，你仍然可以有一个郁郁葱葱的夜晚。然后，你知道，早上9点出现。没有更多的。但我也看到了其他一些，你知道的。

03:28
I mean.
我的意思。

03:35

And in the age of.
在这个时代。

03:38
Country, people basically celebrate coffee houses as made in innovation that will actually help their product.
在这个国家，人们基本上把咖啡馆视为创新的产物，这实际上有助于他们的产品。

03:46
That actually liberated people, you know, from, you know.
这实际上解放了人们，你知道，你知道。

03:51
The identifying effects of beer, you know that you actually didn't have to know.
啤酒的鉴别作用，其实你不需要知道。

03:55
To a club to meet people, and have found that, that you could, you know, drink a coffee, and that that was, you know, not intoxicated, not, it didn't lead to integration, and it was even a stimulant.
去俱乐部和人见面，然后发现，你可以，你知道，喝一杯咖啡，你知道，这不会让你喝醉，不会让你融入社会，它甚至是一种兴奋剂。

04:06
But I also, but I drink, I drink much, too much coffee ever. So most everybody, let's give people a cup of.
但是我也喝，我喝了很多，太多的咖啡。所以大多数人，让我们给大家一杯。

04:13
So why haven't we developed a safe or a safe for alcohol, right? Without all the others? It doesn't give you that doesn't give you things.
那为什么我们还没有研制出酒精保险柜呢？没有其他的吗？不给你东西的东

西不会给你东西。

04:25
I mean, it's nice to have a menu for me.
我是说，有菜单给我很好。

04:38
Okay, let's just wait for.
好吧，我们就等。

04:43
More people. So which other big papers would do this? Little people.
更多的人。那么，还有哪些大报纸会这么做呢？小的人。

04:48
The other five case hate, the first stereography.
其他五种情况下，第一种是立体的。

04:51
Okay, so maybe that's what, which included N Scola. Is anyone here in his storiography?
好吧，也许就是这样，其中包括N斯科拉。有人在他的故事里吗？

04:57
The whole class is traumatized by this one.
整个班级都受到了创伤。

05:00
Which book did you have to read? Oh, wait here. Sorry. I was like looking around, sorry.
你必须读哪本书？哦，等一下。对不起。我四处看了看，对不起。

05:07
So against the archive of green epistemic anxieties, and the Dutch called Your archive.

所以在绿色认知焦虑的档案中，荷兰人称之为你的档案。

05:18
It's written by N So it's very interesting, but the prose is very she's anthropologist. I think maybe that explains it.
它是由N写的，所以很有趣，但这篇文章非常她是人类学家。我想这也许可以解释。

05:26
And it's very dense, and there's a lot of big ideas that she's like putting in there, so it's quite hard to like, distill. I think I was writing my paper, and I.
它非常密集，有很多大的想法，她喜欢放在那里，所以很难喜欢，提炼。我想我在写论文，然后我。

05:38
They can cited like 50 different pages of the book. So.
他们可以引用书中50页不同的内容。所以。

05:42
So, which is like, it was a good exercise, but it was very, yes, especially when you contradict so much a whole of you, once you thought.
这是一个很好的练习，但是这是非常，对，尤其是当你自相矛盾的时候，你曾经想过。

05:52
That's always bad. I mean, I have, no, I just finished a big book, and I just actually.
这总是不好的。我是说，不，我刚读完一本大部头的书，我只是。

06:00
We wrote it three times because who knows whether I'd be successful. But I just think, you know, that there's a certain virtue in, you know, the East.
我们写了三遍，因为谁知道我是否会成功。但我只是觉得，你知道，东方有某种美德。

06:09
Of the storytelling, right? Especially if you have complex ideas that are really difficult. I mean, sometimes you just have to.
讲故事，对吧？尤其是当你有非常复杂的想法时。我是说，有时候你必须。

06:15
At least I find that you have to highlight them and bookmark them, like, say, here, two arguments. They are actually two different evidence area registers, right? So please do not complete the two, but they actually belong together. Here's how they are connected.
至少我发现你必须突出显示它们并将它们收藏起来，比如，这里有两个论点。它们实际上是两个不同的证据区域登记册，对吧？所以请不要完成这两个，但它们实际上是属于一起的。下面是它们之间的联系。

06:30
And then, you know, sometimes have, you know, these mixed argument summaries, right? Basically. Okay. So here we are. Now you guys can establish that.
然后，你知道，有时候，你知道，这些混合的论点总结，对吧？基本上。好吧。所以我们在这里。现在你们可以证明了。

06:38
No, and then we were going to do this, and now we're going to do that, right? So, because otherwise, I think that it comes to complex things.
不，然后我们要做这个，现在我们要做那个，对吧？否则，我认为这涉及到复杂的事情。

06:44
I mean, especially on the math part of the book, that I have to like historian so that they would understand it. That was a great concern, I think. But now that's, that's the written part of the book. But anyway, okay, so let's just get started nonetheless.
我的意思是，特别是在书中的数学部分，我必须喜欢历史学家，这样他们才能理解。我认为这是一个很大的问题。但现在，这是书的写作部分。不管怎样，我们还是开始吧。

06:59
You know, and vain for people to come. And today we're going to talk about historical event, and it's coming already.
你知道，虚荣的人来了。今天我们要讲的是历史事件，它已经来了。

07:06
And that event, and that is the interesting part, in itself, is already controversial in terms of the time.
那个事件，这是有趣的部分，就其本身而言，就时间而言已经引起了争议。

07:14
Right? So we're going to talk about what the British referred to as the newtiny of 1857, eight and 58. And of course, many people in India don't quite see it that Way.
对吧?所以我们要谈谈英国人所说的1857年，1858年和1858年的新时期。当然，很多印度人并不这么认为。

07:25
Life, but referred to mutiny as the first four of independence of various other things. And I think, you know that that particular event is very interesting.
兵变不过是指人生独立的前四件大事。我认为，你知道那个特别的事件非常有趣。

07:37
Because it has profound and very profound impact on how India is governed by the British and how the Indian.
因为它对英国如何统治印度以及印度人如何。

07:44
Easier starts, really, the colonial master. But on the other hand, the commemoration of that event is very muted, right?
开始容易，真的，殖民统治者。但另一方面，对这一事件的纪念却很低调，对吧?

07:52
And this, you know, gives us a sense to how some historical events, even though much discussed, but not only.
这让我们了解到一些历史事件，尽管讨论很多，但不仅仅是。

08:01
You know, transform in the telling, but you know how you sometimes actually do sweep, not necessarily things under the rock, right? But refuse not to go on.
你知道，在讲述中变换，但你知道有时你实际上是如何清理的，不一定是在岩石下的东西，对吧？但拒绝不继续。

08:13
When it comes to commemorating some pieces of matter.
当涉及到纪念一些物质的时候。

08:18
So let's just basically talk about the context of, you know, this Lent. And, by the way, I'm not added to any particular definition of the event driver if you want to.
我们来谈谈大斋节的背景吧。顺便说一下，如果您愿意，我不会添加到事件驱动程序的任何特定定义中。

08:29
Called Originally, you are the first of Indian It depends for me. That's an interesting story of the fact that it's not interested in Dayton, and not necessarily.
原来，你是第一个印度人，这取决于我。这是一个有趣的事实，它对代顿不感兴趣，不一定。

08:37
You know, an accurate description of the event was not an Indian story. Okay. So basically that you're looking at British context when we have.
要知道，对这一事件的准确描述并不是印第安人的故事。好吧。所以基本上

你看的是英国的背景。

08:48
And what is happening is that India is not conquered by the British crown, right? It is conquered by the British in the company.
当时的情况是印度并没有被英国王室征服，对吧？被公司里的英国人征服了。

08:56
Advise that, as anyone of you know.
建议，你们都知道。

09:00
So it's just getting.
所以它只是。

09:01
You know, it's important historical actor also this part of the world. Why isn't it British Crown? Why is it the British is in the company that?
你知道，它在这个地区也是一个重要的历史角色。为什么不是英国皇冠？为什么英国人会在公司里?

09:10
That basically conquers and colonizes India.
这基本上征服和殖民了印度。

09:13
The cost, not really. I mean, it's a company.
成本，不是很重要。我是说，这是一家公司。

09:17
Well. So basically, the point is that then we are looking at, you know, the eighteenth venture that this all happens. The state's capacity of most European states is actually quite low.
好。所以基本上，重点是我们在看，你知道，这一切发生的第18次冒险。大

多数欧洲国家的国家能力实际上相当低。

09:30
Right? So what does that mean? European states have a hard time collecting taxes. They have a hard time deal with large militaries. And the money that they have, they have to Spend.
对吧?这是什么意思呢？欧洲国家很难收税。他们很难对付庞大的军队。而他们拥有的钱，他们必须花掉。

09:40
On the European wars, right? And therefore.
关于欧洲战争，对吧？因此。

09:43
And essentially they have to outsource and, you know, part of the technology, and retire to private companies that find it much easier.
从本质上讲，他们不得不将部分技术外包给私人公司，因为私人公司会觉得更容易。

09:53
To raise funds and to anybody, you know, essentially, build employer and create private artists. This is, of course, also true of the Dutch East India Company, right?
筹集资金，给任何人，你知道，本质上，建立雇主，创造私人艺术家。当然，荷兰东印度公司也是如此，对吧?

10:05
To the Duchess India. Companies also started as a private enterprise, right? And only in the night will venture with rising state capacity.
致公爵夫人英迪亚。公司也是从私人企业开始的，对吧？只有在夜晚，我们才会冒险去提升国家的能力。

10:14
States are better related economic growth. They better collect taxes.
各州经济增长较好相关。他们最好收税。

10:20
State this connection to take over these corporate empires that have arisen since the sentence of century, the then reneviated century, and the British in the a company basically begins to.
邦此连接接管这些世纪以来兴起的企业帝国，然后复兴的世纪，而英国的公司基本上开始了。

10:32
Take over the gigantic plain. And southern India at large. You know, parts of India here in green are essentially at least nominally left under the rule.
占领辽阔的平原。以及整个南印度。你知道，这里绿色的印度部分地区基本上至少在名义上是在统治之下的。

10:43
Of mostly Islamic rulers. And then the British, you know, begin when the British, india country, rather begins.
主要是伊斯兰统治者。然后英国，你知道，当英国，印度国家，开始的时候。

10:52
Taking over a large part of India and faculty of ruling it. And.
接管了印度的大部分地区和统治它的能力。和。

10:58
They don't really do this as a colonial enterprise in the style of the marketing centrating effect.
他们并没有像殖民企业那样以营销集中效应的方式来做这件事。

11:05
But, you know, the British India Company traders who are coming in, right? They assimilate and adapt to local cultures, right? So we have.
但是，你知道，英国印度公司的贸易商进入了印度，对吧？他们吸收并适应了当地的文化，对吧？所以我们有。

11:16
A lot of intermarriages and a lot of the importance, you know.
有很多异族通婚，还有很多重要的事情。

11:23
Functionaries of the British in their company in the eighteenth century.
18世纪英国的官员在他们的公司里。

11:26
In the early nineteenth century, are often the offspring of British in the company officials. And, you know.
在十九世纪初，往往是英国人的后代在公司里做官。你知道的。

11:36
Of the local box, right? So basically what these guys are doing, which is, of course, a very sensible way of governing, and, you know, a country in which you ask, you know, the foreign language.
本地盒子，对吧？所以基本上这些人所做的，当然是一种非常明智的治理方式，而且，你知道，在一个你问，你知道，外语的国家。

11:47
Foreign rulers. Our minority is you basically tap into local elite networks, right? And bid family alliances. And what have you not in order to cement you?
外国的统治者。我们的少数群体就是你基本上可以利用当地的精英网络，对吧？还有家族联盟。你没有什么东西来巩固你?

11:57
Rule. That's exactly what the British would And in this context, the British actually are not really interested in turning And, you know, india.
规则。这正是英国人会做的，在这种情况下，英国人实际上对转向印度并不感兴趣。

12:06
Into, you know, a mirror image of Britain, right? So we talked a little bit

about, you know, how the Romans basically, more or less.
变成了英国的镜像，对吧？我们讲了一点，罗马人基本上。

12:15
Very cleverly and indirectly, romanize, you know, the best Mediterranean, so that everyone ends up speaking Latin and ends up.
非常巧妙而间接地，把最好的地中海语言罗马化了，所以每个人最后都说拉丁语，最后。

12:25
In me, speaking a Roman right, of how satellite colonies, like in the United States or in Australia, really bring their own culture there and either kill or, you know, marginalized local Populations.
在我看来，从罗马人的角度来看，卫星殖民地，比如美国或澳大利亚，是如何把自己的文化带到那里的，并杀死或边缘化了当地人口。

12:37
In India. The British are not really doing that, at least not initially. They are interested in extracting revenue. They are interested in.
在印度。英国人并没有真正这么做，至少一开始没有。他们对榨取收入感兴趣。他们感兴趣的。

12:44
Making money. And they are not really interested in, you know, for instance, you know.
赚钱。他们对，你知道，举个例子，你知道。

12:52
Spreading their religions, spreading first guests. So what I'm showing you here is at church, but figure fundamentally, the readings is actually set up by the gentleman.
传播他们的宗教，传播第一批客人。我在这里给你们展示的是在教堂里，但从根本上说，阅读材料实际上是由这位先生设置的。

13:02

Whom we just saw earlier events, of course, a Christian church in Delhi, because you have a Christian community here. But what you do not really have is a systematic attempt.
我们刚刚看到的事件，当然，在德里的一个基督教教堂，因为这里有一个基督教社区。但你真正没有的是系统的尝试。

13:12
Right of turning all the news into questions. And indeed, when you think back to the summer Temple, you know, there is this move by this British.
把所有的新闻都变成问题的权利。事实上，当你回想起夏天的圣殿，你知道，这是英国人的举动。

13:24
And Governor Ellen Brook to basically play Muslims and Hindus out against each other, or at least, you know, trying to do a famous local.
艾伦·布鲁克州长让穆斯林和印度教徒相互对立，或者至少，你知道，试图做一个著名的地方。

13:34
And.
和。

13:36
Close with complicates and.
以复数和结尾。

13:38
Back to India. So the British initially, I'm not really interested in that, but these things basically begin to change at the beginning or towards the middle of the month.
回到印度。所以英国人一开始，我对此并不感兴趣，但这些事情基本上在月初或月中开始改变。

13:49
And venturing, because now you actually have a very large influx of British

soldiers and British officials, and these basically create their own little compounds. So here I'm showing you one of them. This is actually.
冒险，因为现在有大量的英国士兵和英国官员涌入，他们基本上建立了自己的小圈子。这里我给大家展示其中一个。这实际上是。

14:02
You know the layout of the cramp? Poor come. And if you look at it, what do you actually see?
你知道抽筋的位置吗？可怜的。如果你看它，你实际上看到了什么？

14:11
You have a large European barracks, but you don't just have barracks, but with, you know, the soldiers with, you know.
你有一个很大的欧洲兵营，但你不只是兵营，你知道，还有士兵。

14:21
And the big influx of Europeans. You also have a big influx of European civilians because these, you know, new soldiers were coming in.
还有大量涌入的欧洲人。同时也有大量欧洲平民涌入，因为这些，你知道，新的士兵进来了。

14:31
And towards the middle of the nineteenth century. They're no longer taking no device. They are no longer interested in assimilating any way of form. They bring their families to raise their children there.
到19世纪中期。他们不会再拿走任何设备。他们不再对吸收任何形式的方式感兴趣。他们带着家人来这里抚养孩子。

14:43
As you have encountered some of the readings, they ought to take a very dim view, right, of local cultures of the religion. So, for instance.
正如你们所读到的，他们应该对当地的宗教文化持非常悲观的观点。举个例子。

14:52

And what kind of Christianity to most of these guys subscribe to.
以及这些人信奉的是哪种基督教。

14:58
They are Protestants, right? And they basically become interested in spreading their religion. And how do they think about the religion of, you know, the local soldiers, the seppoists who fight for Them.
他们是新教徒，对吧？他们对传播他们的宗教很感兴趣。他们如何看待当地士兵的宗教信仰，那些为他们而战的seppoists。

15:12
What do they think about? You know, the people who basically enforce, will enforce the rule in India.
他们在想什么？你知道，在印度，基本上执行这些规则的人会执行这些规则。

15:21
In important ways. What do they have to say about various grammatical religions about Islam?
在重要的方面。他们对伊斯兰教的各种语法宗教有什么看法?

15:27
They essentially very much look down upon them. They.
他们实际上非常看不起他们。他们。

15:34
Favor missionary work, right? And what happens if, you know, you have this change in how the Colonial Administration functions?
喜欢传教工作，对吧？如果殖民政府的运作方式发生了变化，会发生什么呢?

15:45
What kind of reaction do you get from that? So if you're looking at, you know, the British India Company in the past and, you know, having officers marry locally.

你会得到什么样的反应？所以如果你看一下，你知道，过去的英属印度公司，你知道，让官员在当地结婚。

15:56
Have a lot of local officials who are raised in India who may or may not have an Indian mother. What does that? Why would that the British Indian Company do that?
有很多在印度长大的地方官员，他们的母亲可能是印度人，也可能不是。那是什么？为什么英属印度公司要这么做?

16:05
Out of convenience, yes, but also why this is a clever way of managing a very, very large population.
是的，出于方便，但这也是为什么这是一个管理非常非常多人口的聪明方法。

16:13
What are you, what are you interested in?
你对什么感兴趣?

16:17
But the British is going to be interested. They were interested in minimizing French and conflict, right?
但是英国人会感兴趣的。他们对最小化法国和冲突很感兴趣，对吧?

16:23
So you basically leave most of your colonial subjects alone as long as you can extract revenue from them.
所以只要你能从他们身上榨取收入，你基本上就会对大多数殖民地臣民置之不理。

16:31
So. And has anyone of you ever read Markia Value The Prince?
所以。你们有人读过《王子》吗?

16:35
So basically, what does Mark and Eli say? There are two types of people in politics. People want to rule, people want to be left alone. And the trick of good governance Is.
基本上，马克和伊莱说了什么？政界有两种人。人们想要统治，人们想要独处。良好治理的诀窍是。

16:47
That the people who want to be left alone don't feel that they are being governed right? Because the moment they feel like being governed, they become upset. And of course, this influx of all of these often Scottish, protestant, presbyterian.
那些想要独处的人不觉得他们被管理得对吗？因为一旦他们感觉被控制了，他们就会变得心烦意乱。当然，这些人的涌入通常是苏格兰人，新教徒，长老会教徒。

17:02
Officers who basically live, who live completely separate, right from the local Indian population, who do not necessarily engage with it. Whether it's no more intermarriage or there, it's no more.
警官们基本上和当地的印第安人完全分开，他们不一定会参与其中。不管是不再有异族通婚还是已经没有了。

17:13
And, you know, and exchange and communities. Then, of course, entrance rise, and then something rather interesting happens. And this is that.
你知道，还有交流和社区。然后，当然，入口上升，然后一些相当有趣的事情发生了。这就是它。

17:23
A rumor, and he murders. And that has to do something with the introduction of a new rifle.
一个谣言，他就杀人。这与一种新型步枪的引进有关。

17:33

And you just have to get into the details of this kind of writer for a second. So, for those of you who did, you know, national Service in, you know, singapore or elsewhere.
你只需要花点时间了解一下这类作家的细节。所以，对于那些在新加坡或其他地方服过兵役的人。

17:44
In Switzerland, for instance, you guys there, you know that if you are firing a writer today, you have a cartridge, right? That basically carries its gunpowder inside, right?
比如在瑞士，你们这些家伙，你们知道如果你今天解雇一个作家，你有一个墨盒，对吧？基本上是把火药装在里面，对吧?

17:56
Load your gun.
给你的枪装子弹。

17:58
And, you know, cock the gun to turn the safety, empty fire. That's not the case. You know, in the nineteenth century, the mid, nineteenth century, you don't have rifets like that. You have percussion rifles like that.
然后，你知道，扣动扳机，打开保险，空枪。事实并非如此。你知道，在19世纪，19世纪中期，你没有这样的裂痕。你有这样的打击步枪。

18:11
And the way a professional writer works is that you first have basically have to fill it from the top, the gunpowder, right. Then you have to make sure that the gunpowder.
一个专业作家的工作方式是你首先基本上要从顶部填满它，火药，对吧。那你得确保火药。

18:22
Is nicely sacked, then you only put your, you know.
很好地解雇了，然后你就把你的，你知道。

18:27
For black style, and basically.
黑色风格，基本上。

18:29
A little ball on top of it, and he basically fired by igniting the gunpowder in the rifle through this percussion system. So, you know.
上面有一个小球，他基本上是通过这个冲击系统点燃步枪里的火药来开火的。所以，你知道。

18:39
And you put the trigger this, have a little Heather goes forward, creates a definition the gunpowder is.
你按下扳机，让希瑟往前走，定义火药是什么。

18:46
Is basically lit, and then, you know, the fingers out, which is why, by the way.
基本上是点燃的，然后，你知道，手指伸出来，这就是为什么，顺便说一下。

18:52
And when it comes to eighteenth and nineteenth century warfare, the main thing is how quickly you can reload. This is why you basically trade, but this is what you drill people for, right? So that we can.
在18和19世纪的战争中，最重要的是你能多快地装弹。这就是你交易的原因，但这是你钻人的目的，对吧？这样我们就可以。

19:03
Fire gunpowder in there in the past. You can do this, you know, the back of your army is right. You can basically get more lead in the air. That's how you that's how you burn. So.
过去在那里放火药。你能做到的，你知道，你的军队是对的。空气中会有更多的铅。这就是你这就是你燃烧的方式。所以。

19:15
And gun powder, of course. And this needs to be kept, and it is and kept in a grease cover, right? That's basically kept in.
当然还有火药。这个需要保存起来，它确实保存在油脂盖里，对吧？这基本上被保留了下来。

19:24
A paper in a paper.
纸中的纸。

19:26
Container where you have the gunpowder, and you have to put it, put it in, right? And the idea is that you basically fight open, you know, the cartridge, fill the.
装火药的容器，你必须把它放进去，对吧？这个想法是你基本上打开，你知道，弹壳，填充。

19:40
But gunpowder in there, put the bullet in there, then you can actually find it, right?
但是火药在那里，把子弹放在那里，你就能找到它了，对吧?

19:46
And this, of course, is, needs to be greased, right? And two different kinds of rumors in order, which is interesting that they are using.
这个，当然，是需要上油的，对吧？他们用了两种不同的谣言，这很有趣。

19:55
Sometimes two words. Come on.
有时两个字。来吧。

19:57
Muslim soldiers. The, you know, rumor circulates that this cartridge is squeezed as large.
穆斯林士兵。你知道，有传言说这个子弹被压缩得和。

20:06
And among Hindu soldiers, you have the rumor that decreased with Tello. And so what is loud? I think that. And what is Tello?
在印度教士兵中，有传言说泰罗的出现减少了。那么什么是大声呢？我认为。泰罗是什么？

20:19
Exactly? And what are Muslims not allowed to eat? And what the Muslims not allowed to eat?
到底是什么?穆斯林不允许吃什么？穆斯林不允许吃什么？

20:28
Right. Okay. So basically, you know, with the introduction of this new rifle and the introduction of these new cartridges.
正确的。好吧。所以基本上，你知道，随着这种新步枪和这些新子弹的引入。

20:37
These kinds of rumors spread. What is interesting about the same rumor spreading among m sepoys, so local soldiers of the riches in their company?
这类谣言传播开来。有趣的是，同样的谣言也在印度兵中传播，也就是当地士兵对他们公司的财富的看法？

20:49
At the same time, but about two different kinds of facts.
同时，但关于两种不同的事实。

20:54
What's interesting about it?
有趣的是什么？

20:57
By the way, of course, there is no, and, you know, there's no basis in this

room, right? The British.
顺便说一下，当然，没有，你知道，在这个房间里没有基础，对吧？英国人。

21:04
Did not use that. Obviously, you didn't use it because love and teller are what?
我没有用那个。很明显，你没有用它，因为爱和泰勒是什么？

21:10
Expensive. So would you agree, as?
贵了。你同意吗，as？

21:15
You know, your cartridges with expensive that, you know, especially if you want to fire your soldiers a lot of these bullets.
你知道，你的弹壳很贵，特别是如果你想给你的士兵发射很多这种子弹。

21:23
No, you wouldn't. So why is it interesting, based on what I just told you before, that this kind of rumor actually emerges among local soldiers?
不，你不会的。那么，根据我刚才告诉你们的，为什么这种谣言会在当地士兵中出现呢？

21:34
Fighting for the British. So first of all, what is the insights here that you know? And this is either.
为英国而战。首先，你们知道的是什么？这是。

21:41
Grease with pig or cow fat. It's a religious insult, right? And you're saying to them, we're sort of subjugating you some more by not only forcing you into a lower position, but we're also making you.
用猪或牛的油脂。这是对宗教的侮辱，对吧？你对他们说，我们不仅是在强迫你降服你，而且是在强迫你降服你。

21:55
Eat the things you're not allowed to eat or put them in your mouth at least. And there are nothing you can do because, you know, you actually have to buy a few things over But, so basically the sense is, you are not respectful, not just not respecting our lives.
吃那些你不允许吃的东西，或者至少把它们放进嘴里。你也无能为力，因为，你知道，你实际上必须买一些东西，但是，基本上感觉是，你不尊重，不仅仅是不尊重我们的生活。

22:07
You are inciting our relation. This is deliberate, right. And.
你在煽动我们的关系。这是故意的，对吧？和。

22:13
This is about, you know, and.
这是关于，你知道，还有。

22:15
Expressing your condescension for us, under which circumstances can such a rumor emerge in the first place?
恕我冒昧，在什么情况下会出现这样的谣言呢?

22:23
Exactly right. So nobody comes up with, you know, such a rumor, if the sentiment is not already there.
完全正确。所以没有人会提出这样的谣言，如果这种情绪还没有出现的话。

22:32
And that sentiment is created by a new group of officers who do not know much about India, who don't care much about India.
这种情绪是由一群不太了解印度、不太关心印度的新军官造成的。

22:42
Who have non, indian wives, who have that religious communities in there,

and who make no secret.
他们的妻子不是印度人，他们在那里有宗教团体，他们没有秘密。

22:51
Then looking down upon the land.
然后俯视大地。

22:56
Part of the ability in the fighting under this circumstance, this kind of.
部分能力在这种情况下的战斗，这种。

23:01
Can imagine in the first place. So this is actually a historically interesting fact, because, and that's talking about that. What is rumor? Right? Rumor is a very powerful force.
能想象到的。所以这实际上是一个历史上有趣的事实，因为，这是关于这个的。什么是谣言？对吧?谣言是一种强大的力量。

23:11
In history. It's also a very powerful force in all kind of social relations, right? So let's perhaps think about something that you all are aware of.
在历史上。在各种社会关系中，它也是一种非常强大的力量，对吧？所以让我们想一些你们都知道的事情。

23:22
Which is gossip. Okay.
这就是八卦。好吧。

23:25
How does gossip work?
八卦是怎么起作用的?

23:27
All gossip. All humans gossip. How does gossip work? How does gossip function?

所有的流言蜚语。所有人都爱说闲话。八卦是怎么起作用的？八卦是如何起作用的?

23:34
You hear something, and you just pass it through. Yes, yes. There's no one, very little bit. There's no one in verification.
你听到什么，就把它传递出去。是的,是的。没有人，只有一点点。没有人在验证。

23:44
And, and the person who you gossip about it creates an in and an out group, right? Is that basically the person you gossip about is that a person who, that's the person who's been gossiped about, usually know that people gossip about them.
你八卦的对象就形成了内外两类人，对吧？你八卦的对象基本上就是那些被八卦的人，他们通常知道别人会八卦他们。

24:00
And.
和。

24:00
So what are you doing with gossip? Actually, with gossip, you are controlling behavior, and you are figuring out which sort of behavior is acceptable.
那你跟八卦有什么关系？实际上，通过八卦，你是在控制别人的行为，你是在弄清楚哪种行为是可以接受的。

24:11
Within your group, right? So didn't you hear about this, right? And why are you asking that question? Because you want to know how people think about it.
在你的团队里，对吧？你没听说这件事吧？你为什么要问这个问题？因为你想知道人们是怎么想的。

24:20
At the moment, you know how people think about it. You have tested the water what is acceptable among your peers, and that is why you gossip, right? So you basically establish what is sayable and what's acceptable?
目前，你知道人们是怎么想的。你已经试过了什么是你的同伴可以接受的，这就是你八卦的原因，对吗？所以你基本上确定了什么是可以说的，什么是可以接受的?

24:34
Within your input, right? And rumor does something similar, right? Rumor is something that you cannot locate, right? It's not necessarily verifiable.
在你的输入范围内，对吧？谣言也有类似的作用，对吧？谣言是你找不到的东西，对吧？它不一定是可证实的。

24:46
But you But if a rumor spreads, right, the rumor usually is a symptom of mistrust.
但是你但是如果谣言传播，对吧，谣言通常是不信任的表现。

24:54
And dislike of the people who are targeted by the rulers, right? And in this particular case, it's very clear the supplies despise the British officers.
不喜欢那些被统治者盯上的人，对吧？在这种特殊情况下，很明显军需品鄙视英国军官。

25:07
Because they show in condescension. And can you come up with similar examples of rumors? How rumors work in the modern?
因为他们表现得高高在上。你能举出类似的谣言的例子吗？谣言在现代是如何运作的?

25:15
Other rumors work in the modern world, where people don't believe about where people spread a rumor in order to.
还有一些谣言在现代社会行得通，人们不相信人们在哪里传播谣言是为了。

25:23
You know, decide that the government, or, you know, a certain institution is no good.
你知道，决定政府，或者，你知道，某个机构不好。

25:30
We're all microchiped by Bill Gates after we took the COVID vaccine. So basically, you know, you don't trust computers, you don't trust the medical establishment, right? And therefore rumors can.
我们接种了新冠病毒疫苗后都被比尔·盖茨植入了微芯片。所以基本上，你知道，你不信任电脑，你不信任医疗机构，对吧？因此谣言可以。

25:42
Fly, right? So rumors only emerge if there is a fertile ground for them, right? If there's no fault ground for them, if people will just say, this is just rubbish, right?
飞,对吗?所以谣言只有在有温床的时候才会出现，对吧？如果他们没有过错，如果人们会说，这就是垃圾，对吧?

25:51
But if you feel that, for instance, that it comes to computers, when it comes to AI, when it comes to, you know, the state in general, and you feel that you are out of control, that you will be.
但如果你觉得，比如说，涉及到计算机，涉及到人工智能，涉及到整个国家，你觉得自己失去了控制，那你就会失去控制。

26:03
And treated and.
治疗和。

26:05
That you're segregated and run by another many rumors buy And therefore rumors are particularly common in repressive states, right? So the more repressive the state, right, the more common the rumor.

你是被隔离的，被另一个人控制着很多谣言因此谣言在专制国家特别普遍，对吧？所以政府越是压制，谣言就越普遍。

26:19
Right? And the more people basically communicate through rumors what they are thinking about those governing them, right? And this here is a clear example too.
对吧?人们越是通过谣言交流他们对统治者的看法，对吧？这也是一个很明显的例子。

26:28
Right, if the supplies would not have.
没错，如果物资没有。

26:31
You know, despise different officers, then this would not have happened. And this is, you know, the reason why, you know, these soldiers.
鄙视不同的警官，这事就不会发生了。这就是为什么，你知道，这些士兵。

26:44
Begin to rebel against, you know, the British, right? So basically the season.
开始反抗英国人，对吧？基本上就是这个季节。

26:54
You know.
你知道的。

26:58
Thanks.
谢谢。

26:58
You have to have a sequence of rebellions.
你必须有一系列的反叛。

27:01
And what's interesting about, you know, these secrets of rebellions is that they are not particularly organized, right? So the levels then, in order to basically give their value an aim.
有趣的是，你知道，这些叛乱的秘密是他们不是特别有组织的，对吧？所以这些等级，基本上是为了给它们的价值一个目标。

27:12
Make the Mughal and last Muban emperor, who is essentially a puppet by the British. I remember these green areas on the map, right? So the local kings.
让莫卧儿和最后一个穆班皇帝，他本质上是英国的傀儡。我记得地图上的这些绿色区域，对吧？所以当地的国王。

27:23
And maharajas through whom the British reign were nominally in control of the territories, but actually under direct control of.
英国统治下的王公名义上控制着这些领土，但实际上是在直接控制之下。

27:33
You know, the British, the Eastern Company, they basically say, we're going to kick the British out and we're going to restore this guy.
你知道，英国人，东方公司，他们基本上说，我们要把英国人赶出去，我们要恢复这个家伙。

27:43
Baha do a chancellor here, and we are going to reinstall him as the, you know, emperor, king.
巴哈教在这里有一个大臣，我们要重新任命他为皇帝，国王。

27:51
Now I've picked this particular picture of him because the guy is an open addict.
我选了他这张特别的照片因为他是一个公开的瘾君子。

27:59
He's old. He is a complete puppet of the British, and he is basically turned into a figurehead, right for the rebellion. So he is not the mastermind of this, which is important, right?
他太老了。他完全是英国人的傀儡，他基本上变成了叛乱的傀儡。所以他不是主谋，这很重要，对吧?

28:12
And, you know, just in order to have a political goal, right, for reconstruction, to say, taking this guy here, right?
而且，你知道，只是为了有一个政治目标，对吧，为了重建，比如说，拿这个家伙，对吧?

28:20
And what you basically then have is a series of local rebels at fighting the British and the British, you know, to them.
然后基本上是一系列的当地叛军在与英国人作战而英国人，对他们来说。

28:30
That is, you know, an ultimate betrayal. They did not expect that, right? And the way that they are basically.
那是，你知道的，终极背叛。他们没有预料到这一点，对吧？它们基本上是这样的。

28:38
Mediating the sort of rebellion in the position.
调解这个位置上的叛乱。

28:42
Press. And, you know, the British copy of Imagination is like this, and showing you its image, not as an illustration.
出版社。你们知道，英国版的《想象》是这样的，向你们展示它的图像，而不是插图。

28:52
Of what actually happened, but how the British mediate and, you know, this particular event. So if you're looking at, you know, this image here, if you try to analyze it.
关于实际发生了什么，还有英国是如何调解的，你知道，这一特殊事件。所以如果你看着，你知道，这张图，如果你试着分析它。

29:04
How is this rebellion pictured here in the British imagination?
英国人是如何想象这场叛乱的?

29:11
In illustrated magazines and newspapers.
在杂志和报纸上。

29:15
I mean, there's obviously, like the positioning of the British soldiers is visually higher than the rest of the supplies.
我的意思是，很明显，英国士兵的位置在视觉上比其他补给要高。

29:25
And also this sort of sentiment of a lone vanguard against a crowd of berserk.
还有这种孤独的先锋对抗狂暴人群的情绪。

29:34
Supplies. If you look at their faces, you know, you look at their wild beards, you basically, and are happy, you know, these loan you know, heroic British officers.
供应。如果你看看他们的脸，你知道，你看看他们的胡子拉碴，你基本上，很高兴，你知道，这些英勇的英国军官。

29:45
Who are attacked by this wild, uncontrolled law, right? So that is basically how the British see it. And indeed, you know, they see it as you know.

谁会受到这种疯狂的，不受控制的法律的攻击？这基本上就是英国人的看法。事实上，你知道，他们是这样看的。

29:57
Attack on themselves, and indeed today. So I showed you this judge before. This is actually a photograph. What happens, you know, in Delhi.
攻击自己，今天也是如此。我之前给你们看过这个法官。这实际上是一张照片。发生了什么，你知道，在德里。

30:06
What do the rebels attack as symbols of Britain? The Church?
反叛者攻击什么作为英国的象征？教会吗？

30:12
They attack the Church, right? Because they basically see Christianity, as you know, the religion of their oppresses, even though the Church, as we have seen, is actually set up.
他们攻击教会，对吧？因为他们基本上认为基督教，是他们被压迫者的宗教，尽管教会，正如我们所看到的，实际上是建立起来的。

30:21
By many angle Indians. And then they attack the bank, you know, in denim. Why do they do that?
被许多印第安人盯上了。然后他们袭击了银行，穿着牛仔布。他们为什么这么做？

30:31
Because it's extracting value, and they basically want to have this kind of revenue. So they basically attack the symbols.
因为这是在提取价值，他们基本上想要这样的收入。所以他们基本上攻击这些符号。

30:40
Of colonial rule and power, and then they also attack. And in these developments.

殖民统治和权力，然后他们也攻击。在这些发展中。

30:50
Compounds that we are looking at in these chemicals, the Brits themselves and their families. And this particular guide here.
我们正在研究这些化学品中的化合物，英国人自己和他们的家人。还有这个特别的指南。

31:00
And Nana said he, and is, you know, seen as an arch villain, because, under.

His, you know, command a particular compound in front poor his.
他的，你知道，在他的前面指挥一个特殊的院落。

31:19
Attacked. And, you know, the local of the British families are allowed free passage, but they get massacred, right?
攻击。你知道，当地的英国家庭被允许自由通行，但他们被屠杀了，对吧?

31:29
And this sort of massacre then for the British, and not talking about tonight's history becomes the better cry, right?
这种屠杀对于英国人来说，不谈论今晚的历史是更好的呐喊，对吧?

31:38
For revenge and for actually beating the rebellion down and giving you a.
为了复仇，为了镇压叛乱，为了给你一个。

31:44
Count by this man, by Garner, bruce Lee, who then also became a British general, right? And who basically is part of the force that goes back.
以加纳为首的李小龙，他后来也成为了一名英国将军？他基本上是回去的力

量的一部分。

31:57
And to across the ganges, marching on to Delhi. And he goes and sees, you know, this a critical thing, and this is what has to say.
越过恒河，向德里进军。他看到了，你知道，这是一个关键的事情，这就是他要说的。

32:07
And more sickening and more madly excited. That Englishman is a crooked font. Upon entering the blood stained dreams, the heart seemed to stop. The horror of the scene was appalling, and called it our worst angry passions.
越来越恶心，越来越兴奋。那个英国人是个怪人。一进入血迹斑斑的梦境，心脏似乎就停止了跳动。这一幕可怕得令人发指，并称之为我们最愤怒的激情。

32:19
To develop in us. The countrymen of these helpless victims have fiendish craving for the blood of the cowardly murders, the idea that a native should have dared to put his hands upon an English invoice. Too much.
在我们身上发展。这些无助的受害者的同胞们对懦弱的杀人犯的鲜血有着恶魔般的渴望，他们认为一个当地人竟然敢把手放在英国的发票上。太多了。

32:30
And all absorbing craving for ruthless vengeance that most are Christian, of passions, was deep in our hearts. But if any English bishop visited that scene of butchery when I saw it.
所有对无情的复仇的渴望，大多数是基督徒的激情，都在我们的内心深处。但如果有英国主教在我看到屠杀现场的时候。

32:42
I verily believe that he would have buckled on assault. So why does Lucy say that? Because the reaction of the breads.
我真的相信他会屈服于攻击。露西为什么这么说呢？因为面包的反应。

32:52
Against them. You know, the revariment is extraordinarily brutal, right?
对他们不利。你知道，这首曲子非常残忍，对吧?

32:58
So and troops sent from Britain, or the British, reorganized their forces in India. They sent them to Britain, and they looked at these sort of, these supposed, or actual massacres.
所以从英国派来的军队，或者说是英国人，重组了他们在印度的军队。他们把他们送到英国，研究这些所谓的，或实际的屠杀。

33:08
As a justification for actually superseding their families. Because how do these British officers see themselves?
作为取代家人的正当理由。因为这些英国军官是怎么看待自己的?

33:18
They see themselves as good Christians, as if a Christian. What are you supposed not to pray for?
他们认为自己是好基督徒，就像基督徒一样。你不应该为什么祈祷?

33:25
Vengeance. And what are you supposed to exhibit? Yes, have constraint. What is this entire, you know, british argument?
复仇。那你要展示什么呢？是的，要有约束。这整个英国的争论是什么?

33:37
About colonialism. And you look at this previous image, right? You know this stoneface, courageous British officers fighting back. These ones the boys, right? You have self control. You have civilized them.
关于殖民主义。看一下之前的图片，对吧？你知道这面无表情，勇敢的英国军官在反击。这些是男孩，对吧？你有自制力。你使他们开化了。

33:48

What have we not? And here Wolsey basically excuses what happens afterwards by saying, look, even an English bishop.
我们没有什么？这里沃尔西基本上为之后发生的事情找借口说，看，即使是英国主教。

33:56
Have done what we have done and what the British, among other things, do. And I'm going to share this photograph, is that they take rebels.
做我们已经做过的事，做英国人正在做的事。我要和大家分享这张照片，他们抓捕叛军。

34:06
Bind them in front of cannons, and then essentially have them blown to bits right by their field artillery, right? So the British goes through this.
把他们绑在大炮前，然后让野战炮兵把他们炸成碎片，对吧？所以英国经历了这个过程。

34:16
Like, you know, a swath of blood, right? So they don't take prisoners, they give Talk water, and the people whom they're getting their hands on, right?
就像一大片血迹，对吧？所以他们不抓犯人，他们给“ Talk ”水，还有他们抓到的人，对吧?

34:27
Are absolutely brutally massacred by the British Army. And what is interesting about this particular photograph here, which is also important.
都被英国军队残忍地屠杀了。这张特别的照片有趣的是，也很重要。

34:36
To understand when we are looking at the commemoration of this by the fact that this photograph exists in itself.
当我们通过这张照片本身存在的事实来看待这个纪念活动时，我们要理解。

34:46
An interesting historical fact.

一个有趣的历史事实。

34:51
Is it kind of?
是不是有点?

34:52
Predicts the over restraint and everything this is like.
预测了过度克制和其他类似的事情。

34:56
And you can see, actually, not, you see, I know how these itinerary ncls are just sending, you know, attention to Gap.
你可以看到，实际上，你看，我知道这些行程的ncls是如何把注意力转移到Gap的。

35:06
So the contradiction of the photo is interesting, but the photo in itself is interesting.
所以照片的矛盾很有趣，但照片本身也很有趣。

35:11
Usually, if you ever should, join a criminal conspiracy, are you keeping minutes?
通常，如果你真的要加入犯罪阴谋，你会做记录吗?

35:19
Probably not a really bad idea. And if you commit murder or another crime.
也许这是个不错的主意。如果你犯了谋杀或其他罪行。

35:29
Are you taking a picture of? Are you taking a selfie?
你在拍照吗？你在自拍吗?

35:34

Can also be a very bad idea. So what does the fact that this photo exists tell us about the response of the British at the time?
也可能是一个非常糟糕的主意。那么，这张照片的存在告诉我们当时英国人的反应是什么呢?

35:45
They think they can get away with it. They're within their means. They don't even think that they can get away with it. What do they think by taking a photograph? Because, again, you know, the age and fifties start off.
他们认为他们可以逃脱惩罚。他们量入为出。他们甚至不认为他们可以逃脱惩罚。他们拍照片是怎么想的？因为，你知道，年龄和50岁开始。

35:55
And.
和。

35:58
Afterwards because you're so young. But.
因为你太年轻了。但是。

36:01
And, but, you know, you don't take pictures with, you know, smartphone in the 1850s, right? And how do you take pictures of the technology of photography in the United century?
但是，你知道，在19世纪50年代，你不会用智能手机拍照，对吧？你是如何拍摄本世纪摄影技术的?

36:13
You basically don't even have fears, right? What do you have? You have, yes, if you guys are done by that point, right? And so the silver.
你根本就没有恐惧，对吧？你有什么？是的，如果你们都做完了，对吧？还有银。

36:24

That is, but you basically have, you know, you speak.
那是，但是你基本上，你知道，你说话。

36:28
No, I don't.
不，我不。

36:32
We have this big plate photography. So initially, you have to do it on silver, right with daguerreotypes. That's in the 1840s, right in the 1850s. You have better technology.
我们有这个大底片照相。所以一开始，你必须在银上做，用银版照相法。那是在19世纪40年代，就在19世纪50年代。你们有更好的技术。

36:42
You basically have these big plates that you have to put in there. You have very large, you know, exposure times so that you can actually do this. A photograph like this is not just someone coming around with a little camera.
基本上你要把这些大盘子放进去。你知道，你有很长的曝光时间，所以你可以这样做。像这样的照片不是一个人拿着一个小相机走来走去。

36:56
And taking a quick picture, or someone, you know, taking a picture in the photograph, someone actually has to come up with their apparatus, put it up on, you know.
拍一张快速的照片，或者有人，你知道，在照片中拍照，有人实际上必须拿出他们的设备，把它放在上面，你知道。

37:06
Their, you know, that Trident or whatever, you know. And, you know, put up the camera, go behind, you know, the camera with, you know, the black cloth.
他们的三叉戟什么的，你懂的。然后，你知道，把摄像机挂起来，走到后面，你知道，摄像机，你知道，黑布。

37:16
And, you know, adjust the lenses carefully because, of course, you know, we don't have auto focus lines that we have to make show that everything in focus and focus.
仔细调整镜头，因为，当然，我们没有自动对焦线我们没有自动对焦线来显示所有东西都在对焦中。

37:25
And then you need a long exposure time to actually get a picture like that. So a picture like that takes, you know, half a second, or something like this.
然后你需要很长的曝光时间才能得到这样的照片。一张这样的照片，你知道，半秒钟，或者类似这样的。

37:35
You know, in the light have not. So this is, this is a record, right? That took a lot of effort.
你懂的，在光里都没有。这是一个记录，对吧？这需要很多努力。

37:43
To create. So what do we actually see from the fact that such a photograph exists? It means that the British don't just think that they can get away with it.
创建。那么，我们究竟从这样一张照片的存在中看到了什么呢？这意味着英国人不只是认为他们可以侥幸逃脱。

37:54
They think that they have a full right to do what they are doing, and they are proudly creating a record of this because they think that there's nothing wrong with what they are doing.
他们认为他们有充分的权利去做他们正在做的事情，他们自豪地创造了一个记录，因为他们认为他们所做的事情没有错。

38:04
Right? And only, you know, later, and this becomes support, where we are

talking about the commemoration of this, only later, does someone like Rulesley?
对吧?直到后来，这才成为支持，当我们谈论这件事的纪念时，直到后来，像Rulesley这样的人?

38:14
Feel that he has to justify this, right? But in the moment, right? The British really don't feel that they have anything to justify that everything that they are doing.
觉得他必须证明这一点，对吧？但在当下，对吧？英国人真的觉得他们没有任何理由为他们所做的一切辩护。

38:39
Like this. So here we have, you know, the relief of luck, no. And how is that mediated by the British?
像这样。所以我们有，你知道，幸运的解脱，不。英国是如何调解的呢?

38:48

连队沿河而上，你知道，屠杀，你知道，兵变补给。

39:04
And how, and it's not their own country. But you know, how is this? How is this then mediated through these images?
而且那不是他们自己的国家。但你知道，这是怎么回事？那么这是如何通过这些图像来调解的呢?

39:13
But which kind of image is obviously.
但哪种形象很明显。

39:18
So basically European trade. So basically, what's the grant for massacre? And the lackno belief basically shows is, you know, the?

39:41
How you know the entire And.
你怎么知道整个。

39:44
Entire military campaign is being trained justify the next day, right? So this is, you know, the British side of things, which then, of course.
整个军事行动都在第二天进行训练，对吧？所以这是英国方面的事情，当然。

39:55

嗯。

40:26
Baby seizure. And what kind of siege is deli? What do they do with Debbie? They're basically, first of all, in a very, very fruculous.
婴儿癫痫。熟食店是一种什么样的围攻？他们对黛比做了什么？首先，它们基本上是非常非常果状的。

40:37
Burn the place to the ground, right? So they create this, you know, enormous.
把这里夷为平地，对吧？所以他们创造了这个，你知道，巨大的。

40:44
You know, siege, right again. You know, how has this been mediated in

British media? At the time? Photograph is actually very expensive.
你知道，围攻，又对了。你知道，这在英国媒体中是如何传播的？当时？照片其实很贵。

40:54
In a newspaper or in an illustrated journal, you cannot really print photographs, right? That is, you know, something that would not be available.
在报纸或有插图的杂志上，你不能真的打印照片，对吧？这是，你知道的，是不可能的。

41:03
So you have to have, you know, these illustrators create these scenes. And then, of course, very interesting to the historian as a source, because they are not.
所以你必须有，你知道，这些插画师创造这些场景。当然，这对历史学家来说很有趣，因为他们不是。

41:12
And photographs. And because they are not photographs, even the most photographs at stage, they give you a sense into the mindset and into the imagination.
和照片。因为它们不是照片，即使是舞台上的大多数照片，它们给你一种进入心态和想象的感觉。

41:20
Of, you know, these illustrators creating these scenes. And how are these scenes created here? Who?
你知道，这些插画家创造了这些场景。这些场景是如何形成的？谁？

41:28
You can show Soldier in.
你可以让士兵进来。

41:32

The sentence the most prominent, you only see British soldiers, because it is only about the British soldiers. Less likely that the leaf of blackner was only about saying.
这句话最突出，你只看到英国士兵，因为它只讲英国士兵。布莱克纳的叶子不太可能只是在说。

41:43
Like in their children. And, of course, you see, you know, the heroism, their courage, their bravery.
就像他们的孩子一样。当然，你看，你知道，他们的英雄主义，他们的勇气，他们的勇敢。

41:51
How they hear stone, the red foot. And when they basically have your stone thread for this is a contemporary photograph.
他们怎么听到石头，红脚。当他们基本上有了你的石线这是一张当代照片。

42:00
And, you know, they have destroyed large parts of it and actually raised parts of Delhi to the ground. So the British in there.
而且，你知道，他们摧毁了它的大部分，实际上把德里的部分地区夷为平地。所以英国人在那里。

42:09
Attack on Delhi. And, you know, actually have already seen, you know, this execution scene and the cannons, right? They really pull their functions.
袭击德里。而且，你知道，实际上已经看到了，你知道，这个行刑的场景和大炮，对吧？他们真的发挥了自己的作用。

42:19
So this is, this is an extraordinary, good campaign. And what they do then with value, and which.
所以这是，这是一个非凡的，好的竞选。他们用价值做了什么。

42:27

You can see here in a, you know, contemporary illustration, is that they start to raise large parts of it, right?
你可以在这幅当代插图中看到，他们开始抬高大部分的土地，对吧?

42:36
Is this under? Which justification do they do that? Security.
这是在下面吗？他们这样做的理由是什么？安全。

42:40
They basically say, we have to secure the red foot. And they say, in order to do that safely, we need a clear field of fire, right?
他们基本上说，我们必须确保红脚。他们说，为了安全起见，我们需要一个清晰的射击区域，对吧?

42:50
So we can't allow buildings to be used as cover right by local levels. So these buildings all have to go And, you know, the effect, especially around the red foot, is.
所以我们不能允许建筑被地方政府用作掩体。所以这些建筑都必须拆掉，你知道，效果，尤其是在红脚周围，是。

43:03
Dramatic. So here you see a photograph of how the redboard actually how the buildings around the redboards look like in 1850.
戏剧性的。这是一张照片，照片上是1850年红板周围的建筑是什么样子的。

43:13
Seven. If you look at a photograph that is taken almost 20 years later, you can see what essentially has been happening today, like the bridge.
七。如果你看一张近20年后拍摄的照片，你可以看到今天基本上发生了什么，比如这座桥。

43:22
To raise it completely. And in the process of the raising of, you know, residential structures, what do they also raise?

把它完全提高。在建造住宅建筑的过程中，他们还建造了什么?

43:31
They raise some mosques, they raise parts of the palace. They lose the palace, right? So price stations are basically.
他们建起了一些清真寺，建起了宫殿的一部分。他们失去了宫殿，对吧？所以价格站基本上是。

43:42
You know, taking everything that is valuable and sell it. So the system in the British army in the nineteenth century still is that if you win.
把所有值钱的东西都拿去卖。所以19世纪英国军队的制度仍然是如果你赢了。

43:51
If you sack a city, right? And, you know, the office is primarily, but also the ordinary soldiers, and get a part of the loot. And this is organized through price agents. So basically take everything that they can find, sell it, and then.
如果你洗劫一个城市，对吧？而且，要知道，办公室里主要是普通士兵，还能分得一部分赃物。这是通过价格代理组织起来的。基本上就是把他们能找到的所有东西都卖掉，然后。

44:06
This is distributed as a monetary bonus, right among the soldiers, and some of them in the museums in England, for instance, exactly.
这些钱是作为奖金发给士兵的，比如说，他们中的一些人就在英国的博物馆里。

44:17
And, and, and, you know.
然后，然后，然后，你知道的。

44:19
British basically are back in control. Okay, so before we talk about how this

is being actually commemorated, let's talk a little bit about, you know, what this means to me.
英国人基本上重新控制了局面。好了，在我们讨论如何纪念这件事之前，我们先来谈谈，这对我来说意味着什么。

44:29
Is right, right? It is complicated on so many different levels, right? Or this, and, you know, this fast, more Indian independence.
是对的，对吧？它在很多不同的层面上都很复杂，对吧？或者这个，你知道，这个快速的，更多的印度独立。

44:39
Or this rebellion, however you want to try that, and why is this on many different levels?
或者这种反叛，不管你怎么想，为什么它在很多不同的层面上?

44:47
A narrative that is uncomfortable.
令人不舒服的叙述。

44:50
For all the parties involved.
对于所有相关方。

44:53
So for the British, it's uncomfortable because it shows their weakness that they, like, got so defeated in the first place. And.
所以对英国人来说，这很不舒服，因为这显示了他们的弱点，他们一开始就被打败了。和。

45:06
I had to go back and.
我不得不回去。

45:09

For the currents in the government. First of all, it was, despite the revolt happening, they couldn't keep the British out. And then it was fake loss, but also.
为了政府的潮流。首先，尽管起义发生了，但他们无法阻止英国人的入侵。然后是假损失，但也。

45:19
The revolts was sort of in the Muslim partlands, and with the viewable key, missing figurehead, which the future key, I imagine, is.
起义发生在穆斯林地区，有一个可见的关键，缺失的领袖，我想未来的关键是。

45:29
Thrilled about parking back to this, you know, some leader as a great Indian, but why is it also really accountable for the British? Because they can say, yes, you know, we will be trained by our local troops.
很高兴回到这个话题，你知道，作为一个伟大的印度领导人，但为什么它也要对英国人负责？因为他们可以说，是的，你知道，我们将由当地军队训练。

45:40
And yes, initially we couldn't protect some of our civilians, but then we just crush it. Why is the news in itself?
是的，一开始我们无法保护我们的一些平民，但后来我们就粉碎了它。为什么新闻本身就是新闻？

45:48
So deeply problematic for the British, you know, side and their own self image, because initial reprisal is so violent that it's hard to justify.
这对英国方面和他们自己的形象来说都是一个严重的问题，因为最初的报复是如此的暴力，以至于很难证明是正当的。

46:01
But it is hard to justify it. So, basically, the British, of course, don't see themselves as people who execute, you know, people by cannonball.

但很难证明这是合理的。所以，基本上，英国人，当然，不认为自己是用炮弹处决人的人。

46:11
Right? That is not how the breaks essentially start with the work period.
对吧?这并不是休息从工作开始的方式。

46:16
Today and for.
今天和将来。

46:19
So, basically. So that's just, it's basically talk about, of course, you know, the as you can see, the commemoration changes, but.
所以,基本上。所以这只是，基本上是在谈论，当然，你知道，正如你所看到的，纪念活动发生了变化，但是。

46:28
If you're looking at the event itself, right? So it's happened in 5758. No one comes out of this event smelling like a row.
如果你关注事件本身，对吧？它发生在5758年。没有人能从这个活动中解脱出来。

46:38
Right? The British have not foreseen the rebellion, but they crushed it. But in the crushing of the rebellion, they were.
对吧?英国人没有预见到这场叛乱，但他们镇压了它。但在镇压叛乱的过程中，他们是。

46:47
Extraordinarily brutal, right? And that, of course, flashes in a sound image, as you can see.
非常残忍，对吧？当然，就像你看到的，它会以声音图像的形式闪现。

46:56

In the statement of, you know, you know, this later, british general, who's, he clearly is very uncomfortable.
在声明中，你知道，你知道，这位后来的英国将军，他显然很不舒服。

47:05
With what happened in 5758. How is this particular quote a clear indication that he's really a country with this?
5758年发生的事。这段特别的引言怎么能清楚地表明他真的是一个这样的国家呢?

47:14
What is the tone of this code?
这段代码的基调是什么?

47:20
Sickening.
令人作呕。

47:21
It is, but it is apologetic. It's apologetic, right? So basically, he doesn't say, he doesn't come forward and say.
是的，但这是道歉。这是道歉，对吧？所以基本上，他没有说，他没有站出来说。

47:29
These people were animals, and he slaughtered them. They deserved it. But, you know, as?
这些人是动物，他屠杀了他们。这是他们应得的。但是，你知道，as?

47:35
Vincent Church, I would have said to refer to the Indians as a beastly people with a beastly religion, and that's because they close. You don't often hear about the Great Man.
文森特·丘奇，我会说印第安人是有着野蛮宗教的野蛮人，那是因为他们亲近。你不会经常听到伟人的名字。

47:45
Who, of course, was also the vice president of the International Eugenics Society, and therefore had, of course, his views are known by people. He has an unpaid bill in Mangala, I guess an old Mangala club. He has an unpaid bill.
当然，他也是国际优生学协会的副主席，因此，他的观点为人们所知。他在曼加拉有一笔未付的账单，我猜是曼加拉老俱乐部。他有一笔未付的账单。

48:00
Well, you know, there you go, you know, with that, with that, has happened in formal, probably not. Okay. So, so, basically, you have.
好吧，你知道，你知道，这样，这样，在正式场合发生过，可能不会。好吧。所以，基本上，你有。

48:12
And, you know, there's protective but it doesn't really chime with how the British see themselves, right? And when you are thinking about in Australia, how do European?
你知道，这是一种保护，但这与英国人对自己的看法并不一致，对吧？当你想到澳大利亚的时候，欧洲的呢?

48:22
Colonizers usually see themselves, they see the others as the barbarians, and they see themselves as, you know, the rational.
殖民者通常把自己，他们把别人看成野蛮人，他们把自己看成是理性的。

48:30
Self controlled, civilized people who don't do crazy physical things. And this is why, you know, this is Epologetic. And he says, look, I mean, what he saw was so.
自我控制，文明人，不做疯狂的身体活动。这就是为什么，你知道，这是道歉的。他说，看，我是说，他看到的是。

48:42

Incredibly brutal, but even an angle can Bishop, right?
太残忍了，但即使是天使也能干掉毕夏普，对吧?

48:47
Would have gone.
我早就走了。

48:49
And said, you know, now I want to draw my soul, but I don't know whether that is true. I have this impression that they were quite comfortable with the contradiction.
他说，你知道，现在我想画我的灵魂，但我不知道这是不是真的。我的印象是，他们对这种矛盾很坦然。

49:00
Well, I need to check the facts, though, but I think the same thing happened in ACLU.
我需要核实一下事实，但我想在美国公民自由联盟也发生过同样的事情。

49:05
Under the EIC just a few decades ago, early 19.
在EIC下，就在几十年前，19年初。

49:10
Century. So a group of indigenous folk, I would call it, and it's a small thing, but, you know, the reaction is the same as Mexico.
世纪。这是一群土著居民，这是一件小事，但是，你知道，人们的反应和墨西哥一样。

49:19
The sentiment seems to be quite the same to this racial feeling, and that is standard.
这种情绪似乎与这种种族情绪完全相同，这是标准的。

49:33

But a few, for instance. So we postwar Germany and postwar, for two Germany. And even though people knew that this was not true, there was this myth that, you know, people.
但是有一些，比如说。所以我们战后的德国和战后的德国，为两个德国。即使人们知道这不是真的，还是有这样一个神话，你知道，人们。

49:45
We fought in the regular Army at the MR Right? Have nothing to do with that in the background, right?
我们在MR的正规军中作战，对吧？与后台无关，对吧?

49:51
The idea was only the SS does that because.
只有党卫军才会这么做，因为。

49:55
A bit that. And because it, you know, contradicted traditional German values, you know, the sense of honorable soldiers, you know.
有点。因为，你知道，这与传统的德国价值观相矛盾，你知道，光荣的士兵，你知道。

50:04
And which goes back, you know, to the nice country to pressure and what happened on. And, of course, you know, it's always, I'm not sure that the people are happy with the contradiction.
这又回到了，你知道，这个美好的国家的压力和发生的事情。当然，你知道，我不确定人们对这种矛盾是否满意。

50:14
I think he's unhappy with it. So that basically, when you are commemorating an event and you memorialize with the event.
我想他对此不高兴。所以基本上，当你在纪念一件事的时候你用这件事来纪念。

50:22

And you do not necessarily, you can only commemorate the task that are comfortable.
而你也不一定，你只能纪念那些舒服的任务。

50:28
And at moment, a contradiction arises, even though people are fine with it. At the moment, this is why I do not talk much about this particular photograph.
这时，矛盾就产生了，尽管人们对此没有意见。目前，这就是为什么我没有过多谈论这张特殊的照片。

50:37
Right, which, okay, a lot of effort to make, right? And basically, very consciously, documents and atrocity.
好吧，这需要付出很多努力，对吧？基本上，非常有意识地，文件和暴行。

50:46
Right? And that, you know, afterwards, right? Then you're basically looking at the whole series of events.
对吧?然后，你知道，之后，对吧？然后你基本上就看到了整个系列的事件。

50:53
You look back at it, and there are certain aspects that you rather not commemorate, and that you.
当你回顾它时，有些方面是你不愿去纪念的，而你。

51:00
I want to think about, I have a question I'm so much clear about, right? So the picture is then executed, I suppose, to you.
我想要思考，我有一个非常清楚的问题，对吧？我想，这幅画是给你们看的。

51:09
Execute treasonness.
treasonness执行。

51:11
See boys, right? But then there were, they also civilian casualties, right?
看到了吧，孩子们？但也有平民伤亡，对吧？

51:15
Or it's also a separate quality, but that's a different but, but basically they are similarly casualties. And the British used these civilian casualties to justify the brutality.
或者这也是一种独立的品质，但这是不同的，但基本上他们都是类似的牺牲品。英国人用这些平民伤亡来证明他们的暴行是正当的。

51:25
And, yes, in the day. And then the brutality of it, you know.
是的，在白天。然后是残酷的，你知道的。

51:31
Or assassinations, or everyone.
或者暗杀，或者所有人。

51:34
And in the immediate years afterwards, and then, you know, to alter late night in entry.
在接下来的几年里，然后，你知道，改变深夜进入。

51:42
Because.
因为。

51:43
And people like, you know, garments here, and need to justify this, right? And they basically justify this by saying, look, you know, in the moment.
人们喜欢这里的服装，需要证明这一点，对吧？他们基本上会辩解说，看，你知道，在当下。

51:54
And even the most unique and mild mannered Anglican bishop, right? Would have wanted revenge, right? And I know that what he did was, I'm Christian.
甚至是最独特最温和的圣公会主教，对吧？会想要报复，对吧？我知道他所做的是，我是基督徒。

52:04
But, you know, please understand why he did it right. So, basically, the argument.
但是，请你理解他为什么做得对。基本上，这个论证。

52:09
You know, you weren't there. If you had been there, you know, you would have basically understood why you did what you did.
你知道，你不在场。如果你当时在场，你就会明白你为什么要这么做。

52:19
And I'm bringing this up to what's my initial question, right? So nobody look comes out looking good here, right? So, british, you know, then the data really look good.
我把这个提到我最初的问题，对吧？所以这里没有人看起来很好，对吧？所以，英国，你知道，数据看起来很好。

52:29
Cause of extraordinary brutality. And when it comes to the locals, you know, how do they come out?
这是非常残暴的原因。当谈到当地人的时候，你知道，他们是怎么出来的?

52:37
So just to go back, I think that one of the readings also mentioned that there was also this distinction between lowborn englishmen and high born Englishmen, where.
回顾一下，我想其中一篇阅读材料也提到了出身低贱的英国人和出身高贵的英国人之间的区别。

52:50
I think the topic was that the discussion was about how people commemorated the Conquer Massacre on the walls of the media. And so people justify, people would like other Europeans, other British.
我认为讨论的主题是关于人们如何在媒体的墙上纪念征服大屠杀。所以人们认为，人们喜欢其他欧洲人，其他英国人。

53:05
People talking about the Logon men, local englishmen, who vote on the walls of the site of the massacre. And so even among the British, there is that distinction of how.
人们在谈论洛贡人，当地的英国人，他们在大屠杀现场的墙上投票。所以即使在英国人当中，也存在着如何去做的区别。

53:17
Okay, so that is, of course, very important. But, so there are all these supposed messages that were actually written, some of them, you know, not quite true. But, of course, if we are looking at.
好的，这当然是非常重要的。但是，所有这些假想的信息实际上都是写出来的，其中一些，你知道，并不完全正确。但是，当然，如果我们看。

53:27
The general commemoration, right? You have, you know, the elite version, you have the lower version. Lower people are so focused on dimensions. But basically, when we are talking about the official commemoration, how do you deal with such?
一般的纪念活动，对吧？你知道，有精英版本，也有低级版本。地位低的人太关注维度了。但基本上，当我们谈论官方纪念活动时，你是如何处理的?

53:40
Okay, right. The question, of course, arises on which basis are you going to make these points? Right? So basically, for the British, it's complicated.
好的,正确的。当然，问题来了，你要在什么基础上提出这些观点？对吧?所以基本上，对英国人来说，这很复杂。

53:49
For a number of reasons, not least because of capitality. What actually happens after, you know, the mutiny in India? What is the?
原因有很多，尤其是因为资金。印度兵变之后到底发生了什么？什么是?

53:59
Reaction of the British state? What is the main consequence of the British crime?
英国政府的反应？英国犯罪的主要后果是什么?

54:08
Takes over, which is another thing, right? The British Crown takes over from the British India Company and says, clearly you screw this up, right? So clearly you did something very, very Wrongly.
接管，这是另一回事，对吧？英国王室接管了英属印度公司，说，显然你们搞砸了，对吧？很明显你做了非常非常错误的事。

54:19
And therefore we are now taking over, right? So, as I said, you know, the British don't come out smelling like the roads. The British is idiot.
所以我们现在接管了，对吧？所以，就像我说的，你知道，英国人不像马路上的人。英国人是白痴。

54:28
Company basically loses its mandate, the British Crimes taking over, because it's that UK is handed this Now we have to come in.
公司基本上失去了它的授权，英国犯罪接管了，因为这是英国交给我们的，现在我们必须介入。

54:35
What also happened in the crushing of that rebellion was also not so great, right? What is actually one of the creation? What is the key consequence?
在镇压叛乱的过程中发生的事情也不是那么伟大，对吧？什么是真正的创造？关键的结果是什么?

54:46
What happens after the end of the senior company rule? What do the British do in order to prevent something like that from ever happening again?
高级公司规则结束后会发生什么？为了防止类似的事情再次发生，英国人做了什么？

54:54
They live. They basically create a British Army. They create the Indian Army, which is part of the British Army. And they create a civil Service.
他们住。他们基本上创建了一支英国军队。他们创建了印度军队，这是英国军队的一部分。他们建立了公务员制度。

55:05
Right? Which is still important here. I think, you know, this is actually the most pernicious, you know, give that, you know, I think that the.
对吧?这在这里仍然很重要。我认为，你知道，这其实是最有害的，你知道，给那，你知道，我认为。

55:15
As a British left the Indians. Because if you created these functions in the service, these places can kind of get unnecessary type of place.
作为英国人离开了印第安人。因为如果你在服务中创建了这些函数，这些地方可能会变成不必要的地方。

55:23
I think there was a little bit of malice in there. But they create, they create a civil service and a civil service that is built up that is created after a British.
我觉得这里面有一点恶意。但是他们建立了一个公务员制度这个公务员制度是在英国人之后建立的。

55:32
Model, that whom does the Civil Sex and Law.
模范，是谁做的民法与法律。

55:35
The British initially, but then we're down in the end also. So basically that all of, you know, it's filled with English, right? So they basically try to.
一开始是英国人，但最后我们也落后了。所以基本上所有的，你知道，都是英语，对吧？所以他们基本上是在尝试。

55:46
So basically, there are several things that govern not just the facts of the fact of the value, but also this major shift in government, and that leadership in government has to be justified.
所以基本上，有几件事不仅决定了价值的事实，也决定了政府的重大转变，政府的领导必须是合理的。

55:56
With, you know, bad governments of this in the company.
你知道，公司管理不善。

55:59
But now, you know, now, after this meeting has happened, we are doing everything better, right? We're not doing this in the company.
但是现在，你知道，现在，在这次会议之后，我们做的一切都更好了，对吗？我们公司不会这么做。

56:07
Another thing, though, on the local side is, and Cathy has already talked about this.
另一件事，在本地方面，凯西已经谈过了。

56:13
There, of course, both Hindus and Muslims. And, you know, rebelling. They're different, different and religious.
当然，那里既有印度教徒，也有穆斯林。还有，你知道的，叛逆。他们是不同的，不同的，宗教的。

56:22
Be participating in this.
参与其中。

56:24
But not everybody in India rises up against the British.
但并非所有印度人都起来反抗英国。

56:31
Right? And so most Indians actually.
对吧?所以大多数印度人。

56:35
Don't participate in this event one way or the other, and do the British only fight.
无论如何都不要参与这个事件，英国人只会战斗。

56:45
With British white troops from the UK. And then it comes to the crushing of that rebellion.
还有来自英国的白人军队。然后是对叛乱的镇压。

Sounds like a six right to basically are considered a martial race by the bits, and therefore not heavily.
听起来像六右基本上被认为是一个军事种族的比特，因此不重。

57:16
Good to the army. So the whole situation is complicated, and there is a tacit, you know, admission.
对军队有好处。所以整个情况是复杂的，有一种默契，你知道，承认。

57:24
By the.
的。

57:26
Brits, right? That this was not great, right? And that therefore an entire, you know, administrative change needs to happen.
英国人,对吗?这不是很好，对吧？因此，你知道，整个行政变革需要发生。

And, you know, the entire government of the British India needs to be.
你知道，整个英属印度政府都需要。

57:40
You know, rethought, and because of that, by the commemoration of the mutiny.
你知道，重新考虑，正因为如此，通过纪念兵变。

57:48
And how it changes over time, really is a complicated and complex affair. And after the great year, going to discuss how that happened.
它是如何随时间变化的，真的是一件非常复杂的事情。在这伟大的一年之后，我们将讨论这是如何发生的。

57:57
All right.

好吧。

57:58
I see you back here at 01:15. I just started an email before classes started, that I have to evaluate that. I still have.
我1点15分在这里见你。上课前我刚发了一封邮件，我要评估一下。我现在还记得。

We have an East India company who clearly has missed a complicated situation.
我们有一家东印度公司，它显然错过了一个复杂的局面。

58:45
The British government nearly acknowledges this by taking over India from the British and senior company, by informing the civil service, by reforming the mayor.

英国政府几乎承认了这一点，从英国和高级公司手中接管了印度，通知了公务员制度，改革了市长。

58:54
And what happened during these events is also problematic because, you know, the British Army of exposure we built on.
在这些事件中发生的事情也是有问题的，因为，你知道，我们建立在英国军队的基础上。

59:05
Also, the locus are, of course, not necessarily happy about narratives of brutality, and there was not a unified.
当然，这些人也不一定对暴行的叙述感到高兴，也没有一个统一的说法。

59:15
It never is.
从来都不是。

59:17
You know, reaction to this.
你知道，对这个的反应。

59:19
Support the distribution.
支持分发。

59:21
How support that, not bicycles that report, but leisurely.
多么支持那份报告，不是单车那份报告，而是悠闲。

59:24
Very different. There were some religious groups that actually fought differently against the and uprising. The whole thing was kind of a hoc right?
非常不同的。有一些宗教团体以不同的方式反抗起义。整件事都是特别的，

对吧?

59:33
And, as you know, not a long plan, you know, a carefully folded evolution. And.
正如你所知，这不是一个长期的计划，你知道，这是一个精心折叠的进化过程。和。

59:39
Question is, how do you moralize that? And interestingly, there are only two places where this memory has been.
问题是，你该如何对其进行说教？有趣的是，这种记忆只存在于两个地方。

59:48
Married cat, cat. One is some four.
已婚的猫，猫。1是大约4。

59:51
Which was very important because of our maintenance for transport. And that was a better cry during this rebellion.
这是非常重要的，因为我们的运输维护。在这场叛乱中，这是一个更好的呐喊。

59:58
And then, of course, the seeds of data. And we are just going to look at two monuments that deal with this thing. And this is basically what you see in.
当然，还有数据的种子。我们将看两个与此有关的纪念碑。这基本上就是你在。

01:00:07
Trend fall. And first of all, the point point is this very clearly, and very obviously.
下降趋势。首先，这个点非常清楚，非常明显。

01:00:13

She's a judge. And what kind of charge is it? Does it look very Indian to you?
她是个法官。是什么样的收费？你觉得它看起来很印度吗?

01:00:18
Now it is basically an editor charge, a British charge that it's built on.
现在基本上是编辑收费，这是英国收费的基础。

01:00:24
And, you know, the.
然后，你知道的。

01:00:26
On the.
在。

01:00:28
And the state close to the west, where the.
而靠近西部的那个州。

01:00:32
Were the names of murdered British women and children and were thrown into it, and these cylinder caps and children were kept in the face of the BDR.
被谋杀的英国妇女和儿童的名字被扔进去，这些汽缸盖和儿童被保存在BDR的脸上。

01:00:44
Right then, of course, at the.
然后，当然，在。

01:00:47
The other side of you know, of these questions. BB means wave. Good means house. BB Good is essentially the house where the waves or the families with.

这些问题的另一面。BB的意思是波。好就是房子。BB好本质上是房子里的浪还是家庭用的。

01:00:57
Exactly the bigger, exactly. So this, so there's a cap, and interestingly, what happens with this space that is full of this graffiti and these testimony. So there are these.
就是那个更大的，没错。所以，这里有一个帽子，有趣的是，这个充满涂鸦和见证的空间发生了什么。所以有这些。

01:01:08
And, you know, longstanding, it's not saying, with these substories in the British press, you know, about opinion writing, graffitis on the.
而且，你知道，长期以来，这并不是说，在英国媒体上的这些小故事，你知道，关于观点写作，涂鸦。

01:01:16
What's have actually happened in this movie Garden Vice House?
电影《花园恶宅》到底发生了什么?

01:01:20
Has anyone of you record from the readings?
你们有人做过阅读记录吗?

01:01:25
It's demolished. So the actual size, where the actual value women protect that is described.
这是拆除。所以实际尺寸，女性保护的实际价值被描述了出来。

01:01:35
The bell in which they will go becomes the site of a commemoration, end of the church, and of a monument that looks like.
他们将要去的钟变成了一个纪念地，教堂的尽头，和一个纪念碑，看起来像。

01:01:45
It's a.
这是一个。

01:01:47
The design of the monument here is, of course, very interesting. So first of all, in which style has this monument been set up?
当然，这座纪念碑的设计非常有趣。首先，这座纪念碑是什么风格的?

01:01:54
It's basically done in a year, but they style, so they.
基本上一年就能搞定，不过他们很时髦，所以。

01:01:59
That this is about white people, about Christianity, about their religion, and.
这是关于白人，关于基督教，关于他们的宗教，还有。

01:02:05
And make absolutely no reference to.
而且绝对没有提到。

01:02:09
Anything local, right? So it's in this, in this way, is, of course, a monument of colonialism, right? So, here, here, now.
任何本地的东西，对吧？所以从这个角度来说，它当然是殖民主义的纪念碑，对吧？所以，这里，这里，现在。

01:02:17
This is our religions, our architectural style. This is our church. These are our victims.
这是我们的宗教，我们的建筑风格。这是我们的教堂。这些是我们的受害者。

01:02:23
But then you actually look at, you know, the way that the dead are

commemorated over.
但你会发现，人们是如何纪念死者的。

01:02:29
Give a statue that is built over the world into which these remains were dumped.
在世界各地建立一座雕像，把这些遗骸倾倒在那里。

01:02:35
What is it in terms of the message that is being sent?
它所传递的信息是什么？

01:02:42
What do we see? We see basically a screen. The screen is a Gothic fence, right? And then what do we have top of the bell? What do we see here?
我们看到了什么？我们看到的基本上是一个屏幕。屏风是哥特式的栅栏，对吧？然后钟的顶部是什么？我们在这里看到了什么？

01:02:54
There is an angel, right? An angel and an angel and a cross. And the angel basically.
天使是存在的，对吧？一个天使，一个天使，一个十字架。基本上是天使。

01:03:05
Holds, you know, on, par lease, which can be a sign of victory, that, which is not necessarily any.
你知道，按价租赁，这可能是胜利的标志，但不一定是。

01:03:12
And.
和。

01:03:12
Not necessarily very much.
不一定很多。

01:03:16
What is absolutely missing from this? So if you did not know, and if you didn't bother with reading the inscription here.
这里绝对缺少了什么？所以如果你不知道，如果你懒得看这里的题词。

01:03:24
Just, you know, I'm written to gothic letters, and, you know, commemorate the event. If you just look at this.
只是，你知道，我是用哥特字体写的，为了纪念这件事。如果你看这个。

01:03:32
Does it look like a monument to massacre?
它看起来像大屠杀纪念碑吗?

01:03:37
That's by looking at it. If you look at the charge, if you look at this one, will not have to move.
这是通过观察得到的。如果你看电荷，如果你看这个，它不会移动。

01:03:44
What is, what is the point of this volume?
这个体积的意义是什么?

01:03:48
What doesn't it talk about? So what does it talk about? And what doesn't it talk about?
它没有提到什么？它讲的是什么？它没有提到什么?

01:03:56
On the massacre itself like there's no application of the.
屠杀本身就好像没有任何应用。

01:04:02
Reality. So there's no depiction of the massacre. There's no depiction of

war. There's no depiction of, you know, fighters.
现实。所以没有对大屠杀的描述。没有对战争的描述。没有对战士的描述。

01:04:11
Any which way. What you have here is just the most milk toast way.
不管怎样。你现在做的是最正宗的牛奶吐司。

01:04:17
In which you can set a monument to victims. So has anyone of you ever been to a Christian graveyard or graveyard in Europe?
在那里你可以为受害者建一座纪念碑。你们有人去过基督教墓地或欧洲的墓地吗?

01:04:28
What do you see there of grace? And in terms of sculpture, what do these, you know?
你在那里看到了什么恩典？就雕塑而言，你知道这些是什么吗?

01:04:37
Especially if you are in Britain, go to Cemetery Britain. There, especially in United Entry Cemetery.
特别是如果你在英国，一定要去英国公墓。在那里，尤其是在联合入境公墓。

01:04:44
Very interesting, also quite beautiful. And what do you see in these cemeteries all the time on graves?
非常有趣，也很漂亮。你在这些墓地的坟墓上经常看到什么?

01:04:50
Angels, right? So this is clearly just an Eculiary monument that.
天使,对吧?所以这显然只是一个文化纪念碑。

01:04:57
It does not really, except for the exception.

其实没有，除了例外。

01:05:00
Talk about.
谈论。

01:05:02
The event in any remark.
事件在任何评论中。

01:05:07
It is not a monument which is also important and to.
它不是一座纪念碑，它也很重要。

01:05:13
Tutor is the sound.
导师是声音。

01:05:16
Right? So.
对吧?所以。

01:05:17
There are no statutes of soldiers. There are no statutes of the commanding officers.
没有关于士兵的法令。没有指挥官的法令。

01:05:22
There are no visual depictions of examination.
没有对检查的视觉描述。

01:05:25
Right? You just have those land.
对吧?你只有那些土地。

01:05:29
Standards also not particularly.
标准也不特别。

01:05:35
Conspicuous Monument, right next to a memorial shop.
显眼的纪念碑，就在一家纪念商店旁边。

01:05:41
What is interesting about that, what other possibilities, in terms of commemoration, would the British state have?
有趣的是，在纪念活动方面，英国政府还会有哪些其他的可能性?

01:05:52
I think, again, the reading mentions, like, I think one of the earlier designs was a lot more graphic and total of, like the body a child, a dead child, than a woman being attacked, and.
我想，再一次，阅读材料提到，我想早期的一个设计更图形化，更像一个孩子的身体，一个死去的孩子，而不是一个被袭击的女人。

01:06:10
Pending the sense of the class, or something exactly. So basically, it's not that, you know, scientific entry sculpture sculptures couldn't have done something rather dramatic.
等待阶级的感觉，或者确切地说。所以基本上，这并不是说，你知道，科学入门雕塑雕塑不能做一些相当戏剧性的事情。

01:06:20
Has anyone of you ever been to London? Have you been?
你们有人去过伦敦吗？你去过吗?

01:06:24
The Hyde Park. And look at, you know, the victory monuments there for, you know, bennington's campaign in Spain. And, you know, this British victory at another you know, think about the monuments around

marbleage.
海德公园。看看，你知道，那里的胜利纪念碑，你知道，本宁顿在西班牙的战役。你知道，英国在另一个战场上的胜利你知道，想想大理石周围的纪念碑。

01:06:36
Count the British to monuments like that. Yes, they can. They could have had, you know. And just like in the front of this, I showed you for this.
把英国人算作这样的纪念碑。是的，他们可以。他们本来可以的，你知道。就像在前面，我给你们展示了这个。

01:06:45
Class. They could have had a woman, you know, defending herself with a pistol, like a child is clutching into her dress, or something like that.
类。他们可能有一个女人，你知道，用手枪保护自己，就像一个孩子抓着她的裙子，或者类似的东西。

01:06:54
They didn't do that. They chose that. Does it get any blender?
他们没有那样做。他们选择了这个。有搅拌器吗?

01:06:59
Does it get any more generic?
它会变得更普通吗?

01:07:02
I mean, if think about it just as a thought experiment. Okay, so you can all imagine something that's more graphic, right? Something more tailored to the specific event.
我的意思是，如果把它看作是一个思想实验。好了，你们可以想象一些更形象的东西，对吧？更适合特定事件的东西。

01:07:13
Right? That's clear. That's obvious. Can you think of something more bland, though, just?

对吧?这是清晰的。这是显而易见的。你能想到更平淡的东西吗?

01:07:19
Nothing more surprising.
没什么比这更令人惊讶的了。

01:07:20
Okay.
好吧。

01:07:24
You just, you just have a cross, you know, that, okay, that would be a little bit more bland. But the Angel really is also kind of generic, right? So it's also a very, very bland.
你只要，你只要画个十字，你知道，那样会更平淡一些。但是天使实际上也是一种通用的概念，对吧？所以这也是非常非常平淡的。

01:07:38
What is interesting about the blandness of this problem?
这个问题平淡无奇的有趣之处在于什么?

01:07:42
And its generic nature, and what has actually been commemorated.
它的一般性质，以及实际上被纪念的东西。

01:07:49
Is it to make it more again, this is intended, this isn't intended for Indians. It's intended for Europeans or like.
这是为了让它更，这不是为印度人准备的。它是为欧洲人准备的。

01:07:59
British as British people who were miserably, I guess so. Is it intended to evoke some sort of, like?
英国人是悲惨的英国人，我想是的。是想唤起某种，比如?

01:08:07
Sympathy about the innocence and negative. So first of all, you don't talk about the palpitators.
同情关于天真和消极。首先，不要谈论心悸。

01:08:15
You also don't talk about the British avenging them. You only talk about the victims. Why is that a clever move?
你也不会说英国人要为他们报仇。你只谈论受害者。为什么这是明智之举?

01:08:22
Because you don't have to acknowledge the event exactly. When you acknowledge the event in saying something really terrible happened to you, and women and children died, and you.
因为你不必完全承认这件事。当你承认这件事的时候，你会说一些非常可怕的事情发生在你身上，女人和孩子死了，而你。

01:08:33
Are setting up a memorial for them? Is that actually something that anybody cannot complain about?
要为他们建一个纪念碑吗？这真的是任何人都不能抱怨的吗?

01:08:39
He says, women and children were killed here. And here doesn't commemorating that. They're problematic. It's completely unprobomatic, right?
他说，妇女和儿童在这里被杀害。这里并没有纪念它。他们是有问题的。这是完全没有问题的，对吧?

01:08:49
And if that is something that no reasonable person can disagree with, right? Okay, women and the children, right? And then you basically set up something that is very generic and specific.
如果这是任何理性的人都不会反对的，对吧？好吧，女人和孩子，对吧？然后你基本上设置一些非常通用和具体的东西。

01:09:02
And then, as you say, it's quite primarily pitched to European and British observers, but it is very, very clear, not designed.
然后，正如你所说，它主要是针对欧洲和英国的观察员，但它非常非常清楚，不是故意的。

01:09:11
To do what? Because sometimes monuments can be designed to do something else entirely. Think about a better status that we are looking at.
做什么？因为有时候纪念碑可以被设计成完全不同的东西。想想我们现在看到的更好的状态。

01:09:20
So if you think about the competitors that we discussed last week, what did they about?
所以如果你想想我们上周讨论的竞争对手，他们是怎么做的?

01:09:27
Political controversy.
政治争议。

01:09:29
They were basically a matter of political controversy. This is not uncontroversial either, but how did the Dotors of the Confederacy and Southerners frame all of these?
它们基本上是一个政治争议问题。这也不是没有争议的，但是南部邦联博士和南方人是如何构建这一切的呢?

01:09:39
Things.
的事情。

01:09:39
You know, just visually.

你知道，只是视觉上的。

01:09:43
Literally like races from its very, so, basically confrontational, like you have, you know, stonewall Jackson charging against the black neighborhood. If then you have.
从字面上看，就像种族一样，基本上是对抗性的，就像你知道，石墙杰克逊对黑人社区的指控。如果你有。

01:09:54
These two Arian angels, you know, with the shield, with the Confederate flag. And you show, you know, native Americans in a subordinate position to Lewis and Clark.
这两个阿里乌斯天使，拿着盾牌，拿着邦联旗。你可以看到，印第安人处于刘易斯和克拉克的从属地位。

01:10:04
In one case, you know, their resistance is futile. So you can make monuments that are visually very aggressive, right? And this chooses not to be aggressive.
在一种情况下，你知道，他们的抵抗是徒劳的。所以你可以制作视觉上很有侵略性的纪念碑，对吧？而这个选择不具有攻击性。

01:10:15
Like it chooses not to evolve. Let's put it this way, it is not designed to evolve strong notions.
就像它选择不进化。让我们这么说吧，它的设计并不是为了进化出强烈的观念。

01:10:22
It's not saying that people who go there don't have strong emotions, but if there are strong emotions, they are not meaning to be amplified, right? This is not. And then this is very British, right?
这并不是说去那里的人没有强烈的情绪，但如果有强烈的情绪，它们就不应该被放大，对吧？这不是。这是非常英式的，对吧？

01:10:35
This is not something that is meant to be offensive in any human way, but this is deliberately limited.
这并不是要冒犯任何人，但这是有意限制的。

01:10:43
Unspectacular and bad.
平淡无奇，糟糕透顶。

01:10:47
And what is interesting about this, because if you have been to London, if you've been to Europe, if you look.
有趣的是，如果你去过伦敦，如果你去过欧洲，如果你看。

01:10:55
Monuments in the United States. You can see that monuments can be emotionally charged, that they can be designed to develop motions like, you know, the statue of, you know, the bombing of Rotterdam that Cathy just mentioned.
美国的纪念碑。你可以看到，纪念碑可以充满感情，它们可以被设计成发展的动作，就像，你知道，你知道，凯西刚刚提到的鹿特丹爆炸案的雕像。

01:11:09
You know, in the last session where, you know, it is, it's an invitation to reflect on the horrors, right? Of, you know, bombing a city flat.
你知道，在最后一个疗程中，你知道，这是一个邀请，让我们反思恐怖，对吧？你知道的，轰炸城市公寓。

01:11:19
Right? Then it's not necessarily in a very nationalist and aggressive way, but it is meant to elicit an emotional response.
对吧?这并不一定是一种非常民族主义和侵略性的方式，而是为了引起情绪上的反应。

01:11:26
It couldn't get more boring than that.
没有比这更无聊的了。

01:11:28
Why do you think is that? Why did they reject, you know, a monument that, where you could see slave children and desperate women?
你认为这是为什么？为什么他们拒绝，你知道，一个纪念碑，在那里你可以看到奴隶的孩子和绝望的女人？

01:11:39
And heroic British soldiers, because they could have done that if they wanted to. If they don't do it, though, I'm not entirely sure how this would make sense, because they should, again, be looking at this in isolation, but we've discussed about how.
还有英勇的英国士兵，因为如果他们愿意，他们完全可以做到。如果他们不这样做，我不太确定这有什么意义，因为他们应该，再一次，孤立地看待这个问题，但我们已经讨论过了。

01:11:53
One of the reasons behind the reward slash meeting was simmering tensions and condescension. Like very explicit condescension.
奖金削减会议背后的原因之一是酝酿中的紧张和居高临下。比如非常明显的屈尊俯就。

01:12:06
So something like this doesn't really talk about the natives at all, so it's not an over.
所以像这样的东西并没有真正谈论土著人，所以它不是一个结束。

01:12:13
Display of violence from the natives. So, but again, this is an isolated thing, and we're going to look at another monument, and basically the same thing.
土著的暴力表现。但是，这是一个孤立的东西，我们要去看另一个纪念碑，

基本上是一样的。

01:12:24
So if you have something like Trump or happening and it goes through the media, you have to do something right. You cannot not commemorate.
所以如果你有像特朗普这样的事情或者正在发生的事情，并且它通过媒体传播，你必须做正确的事情。你不能不纪念。

01:12:35
Right there has to be a plaque or something like that. Now, something needs to be there, but the way you commemorate it then, of course, it's interesting, because you can go all in.
肯定有个斑块之类的东西。现在，这里需要一些东西，但是你纪念它的方式，当然，很有趣，因为你可以全力以赴。

01:12:45
Right? Or you can do something out of that. And when it actually comes to the commendation of the future of daily.
对吧?或者你可以做点别的。当谈到日常生活的未来时。

01:12:52
This, of course, you know, that appears on postcards. We have this weird tower right in danger.
这个，当然，你知道，出现在明信片上。这座奇怪的塔正处于危险之中。

01:13:02
And this monument is what, again, which is for the British soldiers who, you know, died and participated in.
这座纪念碑，是为英国士兵而建的，你们知道，他们死于。

01:13:13
So has anyone ever seen a visit to this in Delhi? Because it's not very central. It's outside for the, you know, gunmen placements of the British.
有人在德里见过这样的地方吗？因为它不是很中心。它在外面，你知道的，英国人的持枪地点。

01:13:23
And what kind of monument is this? Again, what style are we talking about? It's basically a neo Gothic tower. It doesn't get more British than that.
这是个什么样的纪念碑？再说一遍，我们说的是什么风格？它基本上是一座新哥特式的塔。没有比这更英国的了。

01:13:32
But is it in any way? And is it in any way offensive? Does it have an imagery of heroic British?
但在任何方面都是这样吗？这有什么冒犯之处吗？它有英雄式的英国形象吗？

01:13:43
Soldiers store and storming the Red Foot. Is it making? Is it actually even a very good monument?
士兵们囤积和攻占红脚。它在制造吗？它真的是一个很好的纪念碑吗？

01:13:51
What's your definition of a good monument? Is it a monument that, you know, is.
你对好纪念碑的定义是什么？它是一座纪念碑，你知道，是。

01:13:59
Literally striking invites you to look at it. You cannot really ignore it, right? And, you know, through its.
字面上的醒目会吸引你去看它。你不能真的忽略它，对吧？你知道，通过它。

01:14:09
Imagery, right, immediately, at a first glance, creates an impression and a message, right? That is what a good morning is. I'm not talking about it aesthetically.
意象，对吧，第一眼，就能立刻产生印象和信息，对吧？这就是一个美好的早晨。我说的不是美学。

01:14:18
I'm talking about something that you cannot ignore, that you will immediately get right, and that it does something to you. So good monuments, what will?
我说的是一些你不能忽视的东西，你会马上恢复正常，而且它对你有影响。那么好的纪念碑，会是什么呢?

01:14:28
With monuments. I mean, to a certain extent, for instance, the Stonewall Jackson argument that we looked at in childhood, though.
纪念碑。我的意思是，在某种程度上，例如，石墙杰克逊的争论，我们在童年时看到的。

01:14:36
Not My politics is an excellent monument, right? You cannot ignore it. It's incredibly aggressive. It immediately tells you.
不是，我的政治是一座伟大的纪念碑，对吧？你不能忽视它。它非常具有侵略性。它会马上告诉你。

01:14:46
And you know what, who?
你知道是谁吗?

01:14:49
Set it up. And, you know that this is, you know, an aggressive intimidation And that reminds you of your station. That's a good monument, right? It's a very effective.
设置它。你知道这是一种咄咄逼人的恐吓这让你想起了你的地位。那是个很好的纪念碑，对吧？这是一个非常有效的方法。

01:14:59
And this.
这。

01:15:01
Effective monitor.
有效的监控。

01:15:02
It's not particular.
这并不特别。

Beautiful.
美丽。

01:15:12
Okay speaking.
好的演讲。

01:15:13
Not in a particular sparkling spot, right? It is a monument that is set up. And interestingly, that when the India change, independent.
不是在一个特别闪亮的地方，对吧？这是一座纪念碑。有趣的是，当印度独立后。

01:15:24
And when it comes to these two commemoration sides of the evening, new to me.
至于今晚的两种纪念方式，对我来说是全新的。

01:15:29
The angel is moved to the churchyard. It's not destroyed. And this monument is synthetic.
天使被移到了教堂墓地。它没有被破坏。这个纪念碑是人造的。

01:15:38
And the only commentary that you actually get from this particular monument.

你从这座特殊的纪念碑上得到的唯一评论。

72年8月28日，也就是54年前。

01:16:20
What is interesting about that? What does that tell you about a, the monument?
有趣的是什么？这跟纪念碑有什么关系？

01:16:27
See the reaction and see the shaking narrative.
看看人们的反应，看看震撼人心的叙述。

01:16:31
So when it comes to colonial monuments in most parts of the world,

singapore, of course, is an exemption. And.
所以说到世界上大多数地方的殖民纪念碑，新加坡当然是一个例外。和。

01:16:39
The monuments of the colonial powers have to go right. The statutes need to fall if we talked about that right, statutes that no longer reflect their consensus.
殖民国家的纪念碑必须向右移。如果我们谈到这种权利，法规就需要被废除，这些法规不再反映他们的共识。

01:16:50
Or even worse, a symbol of domination and a symbol of, you know, who is in charge. They go as soon as the consensus is no longer in place.
或者更糟的是，这是统治的象征，是谁说了算的象征。一旦共识不再存在，他们就会离开。

01:17:00
And as soon as the people who are in charge are the longer in charge, right, then it's done, then it's gone.
一旦掌权的人掌权的时间越长，那就结束了，然后就消失了。

01:17:06
But this does not happen with the monuments of, you know, the two monuments that are actually being erected on mutiny in India, right? The stupid Red Tower.
但这不会发生在纪念碑上，你知道，这两座纪念碑实际上是为印度的兵变而建的，对吧？愚蠢的红塔。

01:17:18
And, you know, the angel of front Hall. So let's perhaps talk about, you know, the commemoration of this under British rule. What do the British do? Do they make this into a big commemorative event.
还有，你知道，前厅的天使。我们来谈谈，在英国统治下的纪念活动。英国人是怎么做的？他们会把这变成一个大型的纪念活动吗？

01:17:31
Is there something that is met with regular anniversaries, large celebrations, or rather, commemorative events?
是否有一些事情是为了满足定期周年纪念，大型庆祝活动，或者更确切地说，纪念活动?

01:17:42
Magnificent monuments everywhere. Not explicit ones, exactly, but that's important. Let's think about, you know, contact examples.
到处都是宏伟的纪念碑。确切地说，不是明确的，但这很重要。让我们想想，你们知道，接触的例子。

01:17:51
Can you think about monuments and events that are being commemorated by the British or other European powers every year with great applaud and large monuments?
你能想到英国或其他欧洲国家每年都以巨大的掌声和巨大的纪念碑来纪念的纪念碑和事件吗?

01:18:03
What?
怎么啦?

01:18:03
D Day V Day armies to stay right. When everybody in Britain, or in common weather, come to there's poppies. I've never seen this in Singapore. You don't do poppies, right?
D日，V日，军队待在右边。当英国的每个人，或者在普通的天气里，来到这里，就会有罂粟花。我在新加坡从未见过这种情况。你不吸罂粟花，对吧?

01:18:15
No, but, but, of course, the letter to two people in here, in poppies. I don't think so. But in Britain, you know, everybody there has a poppy. In Canada, everybody there has a poppy. You need any ic poppies is like on the BBC.
不，但是，当然了，这封信是写给两个人的，用罂粟花写的。我不这么想。

但是在英国，你知道，每个人都有罂粟。在加拿大，每个人都有罂粟。你需要任何ic罂粟就像在英国广播公司。

01:18:28
So my daughter in her kindergarten was wearing a poppy, and I said, that's nice, but I just would like to find out that you're.
我女儿在幼儿园戴着罂粟花，我说，那很好，但我只是想知道你。

01:18:39
Grandfather's father. My grandfather actually also fought in the work of one but on the other side, he wasn't flared this fears at the solemn fashion day, but with the Royal variant army in much greater development.
祖父的父亲。我的祖父实际上也参加了其中一个的工作，但另一方面，他并没有在庄严的时尚日爆发这种恐惧，而是随着皇家变体军队的发展而发展。

01:18:52
The one of the project Army. But, but at any rate, the gassy complications in the.
陆军项目的一个。但是，无论如何，气体的并发症。

01:19:00
Complicated, blended families and international families, at least so. So you have, you can have these commemorations. You could create these rituals. You could create these monuments.
复杂、混合的家庭和国际家庭，至少是这样。所以你可以有这些纪念活动。你可以创造这些仪式。你可以建造这些纪念碑。

01:19:13
The British absolutely don't do it. Not because of a lack of imagination, not because of a lack of occasion. They just don't do it.
英国人绝对不会这么做。不是因为缺乏想象力，不是因为缺乏时机。他们就是不这么做。

01:19:23
Well, I mean, you have a new administration that comes in, right, that treats

this as a completed industry to disaster. So it's a memory that's you can. It's several ways you Can.
好吧，我的意思是，你有一个新的管理进来，对吧，把这当作一个完整的行业灾难。所以这是一种记忆。有几种方法可以做到。

01:19:34
Manage a memory? What are the two ways in which you can manage a memory?
管理记忆？管理记忆的两种方法是什么？

01:19:38
Suppress it. You can, you can not, you can suppress it. Well, then, okay, there's several ways you can suppress it. Why is suppressing a memory usually not a good idea?
抑制它。你可以，你不可以，你可以压制它。好吧，好吧，有几种方法可以抑制它。为什么压抑记忆通常不是个好主意？

01:19:49
Because, you know, if you have a reaction, you have a counter reaction, right? What is another opportunity if you want to have on?
因为，你知道，如果你有反应，就会有反反应，对吧？如果你想继续下去，还有什么其他机会吗？

01:20:01
A commendation.
一个赞扬。

01:20:02
So you make it very purposeful. And what is the, what is another way of doing it?
所以你让它很有目的性。另一种方法是什么？

01:20:12
You do something, but it's so pathetic and small and unremarkable.
你做了些什么，但那是那么可悲，那么渺小，那么不起眼。

01:20:22
And then it never takes off. So in this way, can say, we are doing something, we are doing something, you know.
然后它就再也不会起飞了。通过这种方式，我们可以说，我们正在做某事，我们正在做某事。

01:20:29
Remember these sorts of things that will.
记住这类事情。

01:20:31
Not making a B B out of it. And if you're not making a B, B out of it, and everybody has an interest that nobody makes A B, B out of It.
而不是把它变成一个B。如果你不能从中得到一个B，每个人都有兴趣没有人从中得到一个B， B。

01:20:39
And you basically keep these things from our underlying And even though people talk about it, it's both in schools and.
你基本上把这些东西从我们的基础中剔除尽管人们谈论它，它在学校和。

01:20:48
Later, you are basically making sure that, you know, it doesn't create highways. And that's a.
之后，你基本上要确保，你知道，它不会创造高速公路。这是a。

01:20:57
Was absolutely in the interest of the British government after 1858.
这完全符合1858年后英国政府的利益。

01:21:02
They basically have sataccitly, well, not satacity, but relatively, I'm remarkably, very aggressive. And we realize, you fucked up. This is a.
他们基本上都很安全，好吧，不是安全，但相对来说，我是非常有攻击性

的。我们意识到，你搞砸了。这是a。

01:21:13
Disaster now we have to take over, and we are not going to talk about that too much, right? And for the Indians, it's also.
现在我们必须接管灾难，我们不会过多地讨论这个，对吧？对印第安人来说，这也是。

01:21:23
And not in their interest, to at least initially, and lionize people who did horrible things, and therefore in themselves, you know, taking their side. And therefore this entire thing is on a very.
不符合他们的利益，至少在一开始，他们崇拜那些做了可怕事情的人，因此他们自己，你知道，站在他们一边。因此，这整个事情是在一个非常。

01:21:36
Low data, right? It was by the H and income poor. It's not destroyed, but moved.
低数据，对吧？它是由H和低收入者。它没有被摧毁，而是被移动了。

01:21:42
And interestingly, when we're looking at this gothic tower, you know, that the British veterans get.
有趣的是，当我们看到这座哥特式的塔，你知道，是英国老兵建造的。

01:21:49
It's not destroyed. It's still there. And how long does it take until the British government, or the Indian government creates a plan?
它没有被破坏。它还在那里。英国政府或印度政府需要多久才能制定出一个计划?

01:22:02
To actually, you know, make a gloss on the inscriptions that talks about the end. What's that state With this English translation, though?
实际上，你知道，在碑文上做一个注释，说的是结局。那么这个英文翻译的

状态是什么呢?

01:22:11
Possible in Switzerland, several Indian languages here writing.
可能在瑞士，这里有几种印度语言的文字。

01:22:14
Hindi hulu and guru like Punjabi, because a lot of people in Delhi speak or read these scripts. So a lot of, a lot of the signboards in Delhi will also have.
印度语hulu和旁遮普语大师，因为德里有很多人说或读这些剧本。所以德里的很多招牌上也会有。

01:22:25
Three languages. Yes, chris. Okay, so, because, in English too, of course. And so what's interesting here is.
三种语言。是的,克里斯。好的，因为，当然，在英语中也是。有趣的是。

01:22:34
Read this inscription carefully. So there's this tower. It speaks of British heroism who fought the enemy.
仔细阅读这个铭文。这是这个塔。它讲述了与敌人作战的英国英雄主义。

01:22:43
What does that already mean about the original inscription?
这对原始铭文意味着什么?

01:22:48
Is the is the original description. Very specific.
是原来的描述。非常具体。

01:22:54
It just talks about the heroism of britain's fighting the enemy, which is why what the enemy is.
它只讲述了英国与敌人作战的英雄主义，这就是为什么敌人是。

01:23:02
Needs to be explained here, right? So the end, so this is actually a monument.
这里需要解释一下，对吧？最后，这实际上是一座纪念碑。

01:23:09
About the events of 58 and 57, eight and 58. We have to explain this to a local audience, and we have to explain to this.
关于58年和57年，8年和58年的事件。我们必须向当地的观众解释这个，我们必须向他们解释这个。

01:23:21
Audience that the people who actually fought in there are heroes.
在战场上战斗的人都是英雄。

01:23:26
And this happens, and this is another thing, the date 25 years after Indian independence. So what does that tell us? About the status of the monument in?
这发生了，这是另一件事，在印度独立25年后。这告诉我们什么？关于纪念碑的现状在哪里?

01:23:38
1947, then India actually wins an appendix.
1947年，印度实际上赢得了阑尾。

01:23:42
No one cares. Everybody has forgotten about it. People have better things to worry about than Britain.
没人在乎。每个人都忘记了它。人们有比英国更重要的事情要担心。

01:23:52
Colonialism, and only in 1972, this needs to be activated again. And what then happens?
殖民主义，只是在1972年，这需要再次激活。然后会发生什么?

01:24:01
How are these people? You know, refrained the mutineers, the supplies.
这些人怎么样？你知道，控制叛乱分子，补给。

01:24:11
Initially down over and, you know.
一开始，你知道的。

01:24:15
Grease of the cartridges that they have to bite open. It's associated with the Indian Free.
他们必须咬开墨盒的油脂。它与印第安自由有关。

01:24:22
So basically, this then becomes a struggle for Indian freedom, right? And the people become who rose up against colonial rule.
所以基本上，这变成了一场争取印度自由的斗争，对吧？人民起来反抗殖民统治。

01:24:34
And they become immortal markets for Indian freedom, which Indians, of course, are completely not mentioned.
他们成为印度自由的不朽市场，当然，印度人完全没有被提及。

01:24:42
Exactly. So basically there's a positive report in your company.
完全正确。所以基本上你的公司有一个积极的报告。

01:24:50
It also doesn't mention that who is also not being mentioned at all of this inscription.
它也没有提到谁也没有在碑文中被提及。

01:24:57

Supper, right? Why is he not mentioned?
晚餐,对吗?为什么没有提到他?

01:25:04
Important for the Indian state. And there's also Google is at that point, though. There is still it again, seventies. There's still some appreciation for Google history.
这对印度政府很重要。这里也有谷歌。还有，70年代。b谷歌的历史仍有一些值得欣赏的地方。

01:25:15
But he doesn't play a large political role or meaning for the Indian States.
但他对印度各州并没有多大的政治作用或意义。

01:25:23
But why is Danny destroyed in the first place? Because it's the seat of the mobile power, because he's there. So basically what we are seeing is a complete reinterpretation of the events, right?
但为什么丹尼一开始就被毁了？因为它是移动力量的所在地，因为他在那里。所以基本上我们看到的是对事件的完全重新解释，对吧?

01:25:36
And for the British work matters for these India company workmantics, that they basically believe all these Kantons, luckner And what happened after they basically get the heartland back.
对于英国人来说，这些印度公司的工作很重要，他们基本上相信所有这些坎顿人，更幸运的人，以及他们基本上夺回中心地带后发生的事情。

01:25:45
And they beseech daily because the levels, or some of the levels have taken and have basically decided to make an opium.
他们每天恳求，因为水平，或者一些水平已经基本决定制造鸦片。

01:25:55
An old opium adage, the figurehead of an actual rebellion that doesn't fit

that doesn't, you know, confuse, right? So you basically then read.
这是一句古老的鸦片格言，一个实际叛乱的傀儡首领并不符合你知道，不会让人困惑，对吧？然后你就可以阅读了。

01:26:06
Entire thing as the fast instantiation of the freedom struggle against, you know.
整个事情都是自由斗争的快速实例，你知道。

01:26:14
British And that is, of course, then framed in terms of Indian independence movements since the early Chinese century, and then, of course, then through the Congress Party, ultimately.
当然，这是根据自中国世纪初以来的印度独立运动制定的，然后，当然，最后，通过国大党。

01:26:25
Preparation. And of course, what is not being mentioned is that a lot of the people who actually then go fight the idiots in 57 and 58.
准备。当然，没有被提及的是，在57和58年，很多人去和那些白痴战斗。

01:26:36
And now no longer in the process on the day.
而现在已经不再在这个过程中了。

01:26:40
In Pakistan, right? Because India has just undergone petition along sectarian lines, right? So this is, you know, otsimo eventually.
在巴基斯坦，对吧？因为印度刚刚经历了宗派请愿，对吧？所以，你知道，这最终是otsimo。

01:26:50
So what you're seeing a complete rate of potential. But the point that I just want to make here is, if you have a complicated event.
所以你看到的是一个完整的潜力率。但这里我想说的是，如果你有一个复杂

的事件。

01:26:58
You don't just, you can go several, you can have several opportunities to commemorate it and to go away from what I find interesting about the mutiny.
你不只是，你可以有几个，你可以有几个机会来纪念它并远离我对兵变的兴趣。

01:27:08
In the 6070 years, immediately following the actual events, is that the commemoration events.
在6070年间，紧接其后的是实际事件，即纪念事件。

01:27:18
Extremely muted, that it is extremely subtle, and that it's not as kibling as you know in one of your readings, as pointed out.
它非常柔和，非常微妙，它不像你们在阅读材料中指出的那样可怕。

01:27:28
And this is just a very British thing. You know, we are being We are being modest, right? We are not like the French. We don't create museums and charge entropies.
这是非常英式的事情。你知道，我们是我们是很谦虚，对吧？我们不像法国人。我们不会建博物馆，也不会让熵变。

01:27:39
But it is because the British has no material interest in commemorating this, right? Commemorating this would actually cause them a lot of trouble. They don't suppress this because that would be Bad.
但这是因为英国人对纪念这件事没有实质性的兴趣，对吧？纪念这件事实际上会给他们带来很多麻烦。他们不会抑制这个，因为那样会很糟糕。

01:27:50
They don't lionize it because that could be bad, but they say, hey, we are

just doing a apparent mediocre median job. And then.
他们不会把它奉为偶像，因为这可能很糟糕，但他们会说，嘿，我们只是做了一个明显平庸的中位数工作。然后。

01:27:58
Hopefully nobody will notice.
希望没人会注意到。

01:28:00
Right? So that is, that is, I think, what the strategy here is, because if you look at other events that the British like to commemorate, especially.
对吧?所以我认为，这就是我们的策略，因为如果你看看英国人喜欢纪念的其他事件。

01:28:12
And.
和。

01:28:13
And, you know, V Day, V Day, and Honest in Space, the British kind very, very capable of nationalist commemoration.
你知道，胜利日，胜利日，诚实的太空，英国的那种非常，非常有民族主义纪念。

01:28:21
And as a matter of fact, if you live in Britain, I've lived in Britain for two years. I like Great Britain. It's very interesting, right? Because if you ask Britain, british clubs now, you know what actually defines you as spread.
事实上，如果你住在英国，我在英国已经住了两年了。我喜欢英国。这很有趣，对吧？因为如果你问英国，现在的英国俱乐部，你就会知道是什么定义了你的俱乐部。

01:28:34
I think, one whole, about three 4 % fighting the Nazis in World War Two. And they were thinking, oh, that's very specific.

我想，在第二次世界大战中，大约有4%的人与纳粹作战。他们想，哦，这很具体。

01:28:43
You were not the only ones. You know. But, of course, in, you know, the way that.
你们不是唯一这样的人。你知道的。但是，当然，你知道，以那种方式。

01:28:52
A word for two is commemorated, that the Britain is commemorated. And, you know.
两个字被纪念，英国被纪念。你知道的。

01:28:58
British media function, or the output of the British cultural industry, right? That is now the prime event in British history. I mean, I can't count how many.
英国媒体的功能，或者说是英国文化产业的产出，对吧？这是英国历史上最重要的事件。我是说，我数不清有多少。

01:29:08
Movies have been made about Churchill, you know, and in the aftermath of Dunker, right? And how, you know, this is constantly the media.
有电影是关于丘吉尔的，你知道，还有Dunker事件的余波，对吧？你知道，这是如何不断被媒体报道的。

01:29:19
If I so. Then in 20 century, also in the nineth century, the British can remember these things. They don't do that quite specifically.
如果是的话。然后到了20世纪，也就是9世纪，英国人还记得这些事情。他们并没有特别地做这个。

01:29:28
Right? And this is another strategy in how you can hear with contested sites, right? You basically.

对吧?这是另一种策略你可以听到有争议的地点，对吧？你基本上。

01:29:37
Don't deny that there's a conversation, but you are being very, very subtle, really details, boring and blank about it.
不要否认有对话，但你表现得非常非常微妙，非常细节化，无聊和空白。

01:29:47
Because you don't want to suppress it, which will be stupid, but you also don't want to lionize it because you don't want this to be problematic.
因为你不想压抑它，这是愚蠢的，但你也不想把它奉为偶像，因为你不想让它成为问题。

01:29:56
Is one of the reasons could put it also be that this is if they did choose to lionize it in India, which is the land where.
其中一个原因可能是，如果他们选择在印度崇拜它，这片土地。

01:30:06
The event happened, but the land where they're also a minority, and exactly, oh, it would be, that's not a bit cheaper. And so it would be easier to actually lionize the Event.
事件发生了，但在他们也是少数民族的土地上，这一点也不便宜。这样就更容易美化事件。

01:30:16
Often the same event, but lion is it in the motherland, in the group, and they don't use it either.
往往是同一事件，但狮子是它在祖国，在集团，他们也不使用它。

01:30:23
Because the moment you do that, you have to talk about all the horrible things that went down. And you don't want to talk about this too.
因为当你这么做的时候，你就不得不谈论发生的所有可怕的事情。你也不想谈这个。

01:30:32
Right? So, and this is for leo's, you know, administrative failure cancer. If you lionize this, you basically have to say.
对吧?这是用来治疗里奥的，你知道的，管理失败的癌症。如果你认为这是无稽之谈，你就得说。

01:30:42
The British India Company really screwed this up.
英国印度公司真的搞砸了。

01:30:46
And, you know, the forces that were crushing this rebellion really, really misbehaved horribly. So perhaps not. Let's not talk about that tonight.
镇压叛乱的军队行为非常非常恶劣。所以也许不是。我们今晚别谈这个了。

01:30:57
Also, of course, and for the metropolis and for the motherland, it is problematic because you want to have control of India, and you don't necessarily want to create a class of People.
当然，对于大都市和祖国来说，这也是有问题的，因为你想控制印度，你不一定想创造一个阶级。

01:31:09
And, you know, who hates the colonial subjects, we ultimately have to.
你知道，谁讨厌殖民臣民，我们最终不得不。

01:31:16
Minister. It also stems, of course, in market contrast to, you know, this is why the Kepling reading, I think it's interesting.
部长。当然，这也源于市场对比，这就是为什么阅读Kepling，我认为这很有趣。

01:31:22
And for this particular class, because it contradicts the British claim that

they are bringing older stability of civilization to the.
对于这个特殊的阶级，因为这与英国人的说法相矛盾他们将古老的文明稳定带到了。

01:31:32
It's right. They don't want that highlighted tool. Why talk about a failure of you know, your civilizing mission might meant starting.
它是对的。他们不想要高亮显示的工具。为什么要谈论失败，你的文明使命可能意味着开始。

01:31:41
If you can talk, rather talk about successes that you would like to see.
如果你能说话，不如谈谈你希望看到的成功。

01:31:47
Right? So I think that is a very important aspect of this tool, right? So sometimes contestations are best treated in a boring way.
对吧?所以我认为这是这个工具的一个非常重要的方面，对吧？所以有时候争论最好用一种无聊的方式来处理。

01:31:58
And I think, you know, this is actually a good example of why this is done by the British. And this particular way, they don't have to promote the novels. They don't want to talk about it. They have to talk about it. And therefore, you know, they take the most.
我认为，你知道，这实际上是一个很好的例子，为什么这是由英国人做的。通过这种特殊的方式，他们不需要宣传小说。他们不想谈论这件事。他们必须讨论这个问题。因此，你知道，他们拿走的最多。

01:32:10
Boring, bland way of actually commemorating things.
这是一种无聊乏味的纪念方式。

01:32:14
Does that make sense? Can you think of other examples where, you know,

people really?
明白了吗？你能想到其他的例子吗?

01:32:21
Don't feel particularly excited about certain universities sermons and citrus Do you agree in Singapore, the IP plant and the internationality plant?
不要对某些大学的布道和柑橘感到特别兴奋，你同意新加坡的知识产权工厂和国际工厂吗?

01:32:34
They're quite small, actually, and not screwed.
实际上，它们很小，而且没有被拧坏。

01:32:36
I mean, it's an interpretation. I mean, it was set up there by the National Heritage.
我是说，这是一种解释。我是说，它是由国家遗产委员会设立的。

01:32:42
But I do think it is a lot of time for us to.
但我确实认为我们还有很多时间。

01:32:45
The International Army is basically supported.
国际军队基本上得到了支持。

01:32:48
The chapter Measure.
测量一章。

01:32:50
Know what to so it's a little uncomfortable.
知道该怎么做，所以有点不舒服。

01:32:53

And you don't want to say they don't exist because that would be bad, but you acknowledge it, but you don't make a big deal out of it. You don't make a big deal. It was also deliberate.
你不想说它们不存在，因为那会很糟糕，但你承认这一点，但你没有把它当回事。你没什么大不了的。这也是经过深思熟虑的。

01:33:04
We set up with the government, so, in some sense, revived and, no, but it's not clear how much the benefit of it, because there are certain things right that you that you cannot ignore.
我们和政府建立了合作关系，所以，从某种意义上说，恢复了，不，但不清楚有多少好处，因为有些事情是正确的，你不能忽视。

01:33:15
And this is precisely the strategy I think that's happening here. We acknowledge the victims, we acknowledge what's happened, but we leave it at that.
我认为这正是这里正在发生的策略。我们承认受害者，承认所发生的一切，但我们就此打住。

01:33:23
And which is, of course, a much more effective strategy than political strategy and communicative strategy than to just deny, flat out better time.
当然，这是一个比政治策略和沟通策略更有效的策略，而不是仅仅否认，让时间变得更好。

01:33:34
If you flat out deny things, what will happen, what will come up. We talked about at the beginning of the class. And if you basically create a bland.
如果你完全否认，会发生什么，会出现什么。我们在这堂课开始的时候讨论过。如果你基本上创造了一种平淡无奇的。

01:33:46
Interesting acknowledgement that usually is much better from.
有趣的承认，通常是更好的。

01:33:51
And, you know, and suppressing the memory all together. I do contest your notion that they felt bad on securing the.
然后，你知道，一起抑制记忆。我确实不同意你的观点他们对保护。

01:34:00
See points over the I mean, in Singapore, there was a 1915 Vietnam. And they also publicly executed when Vietnam.
我的意思是，在新加坡，有1915年的越南战争。他们也在越南公开处决。

01:34:09
Um.
嗯。

01:34:10
You know, I don't think that was the theory. I mean, they were in.
你知道，我不认为这是理论。我是说，他们加入了。

01:34:15
I think it seems to me that the failure is using control, right? I think there's a, yes, I mean, actually, it's in 1915, and Eugene images, actually, I think.
我认为在我看来，失败在于使用控制，对吧？我想有一个，是的，我的意思是，实际上，这是在1915年，尤金的形象，实际上，我想。

01:34:24
Memorrate through facts. Oh, consider anything. And this configurates all I mean, did they know, you know how this?
通过事实来记忆。哦，什么都可以考虑。这构成了我的意思是，他们知道，你知道这是怎么回事吗?

01:34:35
People in front of cannons, but, I mean, I blew them up and, you know, committed other horrible atrocities. Okay, so the available community. So that's the thing, right? The civilian character.

人们站在大炮前，但是，我是说，我把它们炸掉了，你知道，我还犯下了其他可怕的暴行。好的，可用的社区。这就是问题所在，对吧？平民的性格。

01:34:46
They didn't go on a rampage. So I think that part of it is, I think, you know, this British army is perfectly fine with shooting people for discipline.
他们没有横冲直撞。所以我认为部分原因是，英国军队完全可以为了纪律而开枪。

01:34:55
But, and publicly do and publicly do. I think, you know, that is fine, but, you know, I think, you know, the extraordinary brutality of the British army that, I think.
但是，公开地做，公开地做。我认为，你知道，这很好，但是，你知道，我认为，你知道，英国军队的异常残暴，我认为。

01:35:04
You know, british forces that's set very uncomfortably, you know.
你知道，英国军队驻扎得很不舒服。

01:35:09
This notion. I think, you know, nobody in the nineteenth century or early tenth century has a difficulty with hanging or shooting.
这一观点。我认为，在19世纪或10世纪早期，没有人对绞刑或枪决有困难。

01:35:16
Mutineers, right? Or for that matter.
反叛者,对吧?或者就此而言。

01:35:20
A deserters, right? So based in Germany when I was young, and there was still a debate whether you should.
逃兵，对吧？我年轻的时候住在德国，当时人们还在争论是否应该这么做。

01:35:29

Honor German soldiers who deserted the BMR. And that was a conversation, and actually, back in the day, because so many work to graduate, so.
向逃离BMR的德国士兵致敬。这是一段对话，实际上，在过去，因为很多人要毕业，所以。

01:35:40
What's the life? And, you know, had a different view of the BMF than what happened in my generation, or later said, no, this was the sentence, and it's perfectly legitimate.
什么是生活？你知道，他们对BMF的看法和我们那一代人不同，或者后来说，不，这就是那个句子，它是完全合法的。

01:35:49
For a regular professional army to shoot deserters, right? And which was, of course, also parking off their sense of the M after on Earth, right? So.
正规的职业军队射杀逃兵，对吧？当然，这也是他们对地球上的M的理解，对吧？所以。

01:36:00
If you are this, you know, brand of, brand of brands, you know, camera we, and, you know, these deserters by, you know.
如果你是，你知道，品牌的品牌，品牌的品牌，你知道，相机我们，你知道，这些逃兵，你知道。

01:36:08
Deserting, abandoning their posts, endangered the lives of their comrades and so forth. So they're not celebrating that they will be shot that, of course.
逃兵，离开岗位，危及同志的生命等等。所以他们当然不会庆祝他们会被枪杀。

01:36:17
Always a bath.
总是洗澡。

01:36:20
Thing happened, but there's nothing wrong with that. But that was been part of a larger, you know, debate of whether the grandma actually was just a regular army that, you know, followed regular procedure. And, you know.
事情发生了，但这并没有错。但这是一个更大的争论的一部分，你知道，奶奶是否只是一支遵循常规程序的正规军。你知道的。

01:36:32
As a matter of fact, you know, in this debate the eighties, people would say, look at this shot, we also shop researchers, or shop people for cowardice, like, that's fine.
事实上，在八十年代的辩论中，人们会说，看看这张照片，我们也批评研究人员，或者批评人们的懦弱，这很好。

01:36:41
And what I think, you know, was not fine to.
而我的想法，你知道的，是不好的。

01:36:45
You know, british officers, which is this, right? And which, then?
你知道，英国军官，就是这样，对吧？那么是哪一种呢?

01:36:52
And which then, you know, prompts apologetic, right statements like those, right?
然后，你知道，就会产生道歉，正确的声明，对吧?

01:37:02
To say, yes, we did really bad stuff that you must understand. You were provoked by a hollow stuff.
要说，是的，我们确实做了你必须理解的坏事。你被空洞的东西激怒了。

01:37:09

Office solve. You can do that right. Companies today also don't want to acknowledge the atrocities they commit on noncombatants or something.
办公室解决。你可以做对的。今天的公司也不想承认他们对非战斗人员犯下的暴行。

01:37:19
No, I mean, of course not. And if you know, that is always something that you know, forever, really.
不，我是说，当然不是。如果你知道，那你永远都知道，真的。

01:37:26
Has been a problem, right? So, and that is not one of these issues that people that I never want to talk about.
一直是个问题，对吧？所以，这不是我不想谈论的问题之一。

01:37:36
But.
但是。

01:37:37
I think an example of that from Dutch history is Slovain each other in 1995 from the rest of the class. Maybe not. It's during the Bosnian wars, the Dutch forces were there as UN consumers.
我想荷兰历史上的一个例子就是1995年的Slovain each other。也许不是。在波斯尼亚战争期间，荷兰军队作为联合国消费者驻扎在那里。

01:37:53
And they basically, it's a bit complicated, but they basically allowed the other side to grow Muslim men.
他们基本上，这有点复杂，但他们基本上允许另一方培养穆斯林男子。

01:38:02
And they speak a lot of them. So exaggerate the menu.
他们会说很多这种语言。所以要夸大菜单。

01:38:06
Thousands of people died. And it's a very, sort of difficult part of the Dutch class, because the Dutch army was responsible, and it's actually.
数千人死亡。对于荷兰人来说，这是一个非常困难的部分，因为荷兰军队对此负有责任，实际上。

01:38:15
Quite interesting to sort of read also about the soldiers experiences of it, and then questioning, like, should we have done something like, what should we have done? What was our role in this.
读到士兵们的经历是很有趣的，然后提出疑问，我们应该做些什么，我们应该做些什么？我们的角色是什么？

01:38:25
And it's definitely not resolved for it by any.
它肯定没有被任何解出来。

01:38:28
Means, but also the commemorations of that have a sort of discomfort of it, because people know, like, obviously the term site is bad, but, like, what's our responsibility? And that.
但是，对它的纪念也有一种不舒服的感觉，因为人们知道，很明显，“遗址”这个词不好，但是，我们的责任是什么？和。

01:38:38
How do we grapple with that as professional soldiers? And how are we responsible in the nation? And that's our soldier.
作为职业军人，我们该如何应对？我们如何对国家负责？这就是我们的士兵。

01:38:45
And this is, of course, you know, something that you don't want to think about all too often. It's very sad, and it's very complex, right? And I think, you know, in this particular case, the British then take, you know, this.
当然，这是你不想经常去想的事情。这很悲哀，也很复杂，对吧？我认为，

在这种特殊情况下，英国人会采取，你知道，这个。

01:38:59
I think very deliberate strategies are saying, you do something, but you don't do too much. You don't do too much, right? That is, that is something about it. Don't think about it too much.
我认为非常深思熟虑的策略是说，你做一些事情，但不要做得太多。你不会做太多，对吧？这就是它的意义所在。不要想太多。

01:39:11
I think, you know, that is what's going on.
我想，你知道，这就是正在发生的事情。

01:39:12
A very deliberate, low boarding of the whole thing.
这是一个很刻意的，很低的跳板。

01:39:20
Does this make sense?
这有道理吗?

01:39:27
So you can go very high, like in the monuments that we saw last week, and be completely over the top and super aggressive.
所以你可以爬得很高，就像我们上周看到的那些纪念碑一样，完全在顶部，超级有侵略性。

01:39:39
Or you can say, where something needs to be done, the let's.
或者你可以说，在需要做某事的地方，let's。

01:39:43
Keep it low, key.
低调点，key。

01:39:46
In some context, like in school, we get taught that this is the first.
在某些情况下，比如在学校，我们被教导这是第一次。

01:39:53
So India water can be independent.
所以印度水可以独立。

01:39:55
And I don't know about the textbooks today, but because textbooks have been changing by surprise. But at least in my classes, we used to have discussions about.
我不知道现在的教科书是怎样的，但是因为教科书一直在出人意料地改变。但至少在我的课上，我们曾经讨论过。

01:40:06
So mutiny versus revolt versus independence, who gets to say what? So I don't know if I was fortunate. And students today don't get that kind of discussion or space to debate.
兵变，起义，独立，谁说了算？所以我不知道我是否幸运。而今天的学生没有这样的讨论或辩论的空间。

01:40:17
But some of these sites, like this Mutiny Memorial, is barely on anyone's radar of like things to visit in Delhi, I haven't been to comfort. I have been to luck now.
但其中一些景点，比如这个兵变纪念馆，几乎不在任何人的视线之内，就像德里的景点一样，我没有去安慰。我现在运气太好了。

01:40:28
And luck now has the remains of the residency, which was attacked, and that is memorialized, I don't remember, because this was many years ago that I visited.
幸运的是，现在有了被袭击的住所的遗迹，这是纪念的，我不记得了，因为这是很多年前我去过的。

01:40:39
But you still see the ruins of the buildings. They're very well maintained ruins. You see the bullet holes. You see like rubble piles. You'll see like, oh, this was.
但你仍然可以看到建筑物的废墟。它们是保存完好的废墟。你看那些弹孔。你看到的是碎石堆。你会看到，哦，这是。

01:40:51
A Canon shot by so, and so, so there's a lot of magnethologizing also that happens, but it's.
佳能被某某击中，有很多磁化也会发生，但是。

01:40:58
Because it's so it's a maintained space. It's also, like, I won't call it a picnic spot, but it's a family spot for tourists and local residents to come in. I think I remember.
因为这是一个被维护的空间。我不会把它称为野餐地点，但它是游客和当地居民的家庭景点。我想我记得。

01:41:10
Like a couple having, like a photo shoot, like a wedding photo shoot, also happening at a site, as opposed to memorialized victims. So it's, it is still present in sort of school memory.
就像一对夫妇，拍照片，拍婚纱照，也发生在一个地方，而不是纪念受害者。所以它仍然存在于学校的记忆中。

01:41:25
Like school education of class gets taught, but by a large people don't care. Well, that's my thought, right? Of course, it's being taught. but I mean, many of you may have had classmates who are not interested.
就像学校教育的课被教了，但被一大群人不在乎。这是我的想法，对吧？当然，这是有人教的。但我的意思是，你们中的许多人可能有不感兴趣的同学。

01:41:37
In history when you were in secondary school and, you know, I had to learn a lot of stuff that you were completely disinterested in and that were not, you know, emotionally important. Because I would ask.
在你上中学的时候，你知道，我必须学很多你完全不感兴趣的东西，那些在情感上并不重要的东西。因为我会问。

01:41:47
Thank you that. I don't know if you talk to a Dutch person about Strevenica, if you're talking about a German person at the Holocaust. Now, these things are going, are not going to be ignored, but these things are going.
谢谢你。我不知道如果你和一个荷兰人谈论Strevenica，如果你和一个德国人谈论大屠杀。现在，这些事情发生了，不会被忽略，但是这些事情发生了。

01:41:58
To, you know, stir up motions and debate, right? Whereas many other aspects of, you know, history are not that important. And it's interesting, generally speaking, if you're looking at.
你知道的，激起动议和辩论，对吧？然而，历史的许多其他方面并不那么重要。这很有趣，一般来说，如果你看。

01:42:08
British monuments in India. I mean, if you look at the Gateway to India in Mumbai, if you look at a lot of the colonial architecture in Mumbai or in Delhi, right? So the old parliament, actually.
英国在印度的纪念碑。我的意思是，如果你看看孟买的印度门户，如果你看看孟买或德里的很多殖民建筑，对吧？实际上是旧议会。

01:42:20
And, you know the old parade grounds, you know, at the center.
还有，你知道的，老的阅兵场，你知道，在中心。

01:42:26
In India, again, this stuff is still there, right? And it has only been problematized now to some degree, but for a long, long, half levels, just

standing there.
在印度，这些东西仍然存在，对吧？它现在只是在某种程度上出现了问题，但在很长很长一段时间里，它只是站在那里。

01:42:39
And I think, you know, what he has seen with these monuments is just a Catholic, intelligent management of descent that you do not want to provoke too much, right? And you already see something a little bit of that earlier.
我认为，你知道，他所看到的这些纪念碑只是一个天主教徒，对血统的明智管理你不想激怒太多，对吗？你们之前已经看到了一些。

01:42:51
Then Helen Brook is essentially recorded for being such a moral and, you know, among other things, and, you know, with this tegregator from now.
海伦·布鲁克被记录为一个道德高尚的人，你知道，在其他方面，还有，你知道，从现在起，她是一个团结者。

01:43:00
Because, of course, the British Parliament and the British government is not interested in stirring up tensions, and, you know, therefore keeps these things deliberately unremarkable.
因为，当然，英国议会和英国政府对挑起紧张局势不感兴趣，因此，你知道，故意让这些事情不引人注目。

01:43:11
Right? So that these sites, that our sides of contestations don't become the sides of contestations, where two sides constantly clash over.
对吧?这样这些网站，我们争论的一方就不会变成争论的一方，双方就不会经常发生冲突。

01:43:20
Or an interpretation of history, or over who's in charge. As with these an American studies that you look at, which are basically tokens of.
或者是对历史的解读，或者是谁说了算。就像你看到的这些美国研究一样，

这些研究基本上是。

01:43:29
Domination and confrontation and descent, and that ultimately got taken down because they were programs in the event.
统治，对抗和堕落，这些最终都被删除了，因为它们是活动中的程序。

01:43:38
All right, if anything, sorry, if anything, people talk less about actual events and more about certain figureheads. So people like Mongol pande I don't think the reading mentioned him.
好吧，如果有的话，抱歉，如果有的话，人们很少谈论实际事件，更多的是谈论某些傀儡。所以像蒙古潘德这样的人，我认为阅读材料中没有提到他。

01:43:52
But Mongol pande was a soldier who is one of the released in the legend is one of the people who first started the rebellion.
但是蒙古潘德是一名士兵，他是传说中被释放的人之一，是最先发动叛乱的人之一。

01:44:02

How he consumed hung like marijuana, and got very, like adult by it, and started shooting officers. And he claimed that it was because of the cartridge rumor.
他是如何像吸食大麻一样吸食大麻，然后变得非常像成年人，然后开始射杀警察。他说那是因为枪弹的谣言。

01:44:22
And he got hanged. But so there's this, again, debate of whether he was,

whether this conscious decision of oppression against.
他被绞死了。但这又一次引起了争论他是否，是否有意识地决定压迫。

01:44:31
British, like the East India Company? Or was it just like oppression against like a particular officer that in his regiment or in his garrison?
像东印度公司那样的英国人？或者仅仅是压迫一个特定的军官在他的团或他的驻军中?

01:44:42
And, but he's become like this sort of figurehead. And there's like a movie that's available on youtube as well, with Indian subtitle. It's called Mobile Pande the Uprising, which creates this sort of very like.
但是他变成了一个傀儡。youtube上也有一部电影，有印度字幕。它被称为移动潘德起义，它创造了这种非常像。

01:44:52
With lots of creative liberty, but it's not, I could imagine about what you are seeing here. That's, of course, in our way, which history of the media.
有很多创造性的自由，但它不是，我可以想象你在这里看到的。当然，在我们看来，这是媒体的历史。

01:45:00
And which often then leads to status, is that you invent a figurehead or something, ideally, someone whom you don't know much about, so that you know that person, then can become A.
这通常会导致地位的提升，你会虚构一个傀儡或什么，理想情况下，一个你不太了解的人，这样你就能认识那个人，然后就能成为a。

01:45:10
Projection plan and an inspiration. So, for instance, the substrate of, I would say, the very nationalism in the early eighteenth century.
投影计划和灵感。举个例子，我想说，这是18世纪早期民族主义的基础。

Is an uprising of the variance against Austrian occupiers during the Spanish War of Succession.
是西班牙王位继承战争期间反对奥地利占领者的起义。

And, you know, the.
然后，你知道的。

01:45:29
That that happened, you know, and that was actually very important and interesting stories. But in the popular telling of the story.
那是真的，你知道，那实际上是非常重要和有趣的故事。但在流行的说法中。

01:45:39
An army of upper Bavarian farmers and ordinary people who marched on Munich to basically fight the Austrians, and then actually lost in a massacre to buy.
一支由上巴伐利亚农民和普通民众组成的军队向慕尼黑进军，基本上是在与奥地利人作战，结果却在一场屠杀中败北。

A creation regiment that we have, starts, etc. That was led by a guy who was supposedly a blacksmith from the very picturesque alpine village of Copper.
我们拥有的、开始的、等等的创造团。领头的人应该是个铁匠，来自风景如画的高山村庄Copper。

01:46:02
And, you know, on all of these representations of the uprising, you know, in the nineteenth century, you see the sky. I can bring a photo and, you know.
你知道，在所有这些起义的表现上，你知道，在19世纪，你看到了天空。我可以带张照片，然后。

01:46:11

For next week, as you actually have a statue in coffer. And the guy.
下周，因为你的保险箱里有一座雕像。还有那个家伙。

01:46:17
So this meter.
所以这个仪表。

01:46:20
That's of course fantastic. It's also, by the variable variant, we like to make things up. So the most important thing that the countryside is also saying to never lived. So the variance completely reinterpreted, right? Because it's great. You know, you want to tell your own stories. You know, why be bothered?
这当然很棒。同时，通过变量变量，我们喜欢编造一些东西。所以农村最重要的一点也是告诉我们不要生活。方差完全被重新解释了，对吧？因为它很棒。你知道，你想讲述自己的故事。你知道，为什么要这么麻烦？

01:46:35
With, you know, with historical fact. And what you're describing here is precisely about how this happens. But people need to.
你知道，用历史事实。你在这里描述的正是这一切是如何发生的。但人们需要这样做。

01:46:44
Videos to have a story to attach to, and then the story can be embellished and.
视频要有一个故事来附加，然后故事可以修饰和。

01:46:50
And improved. And sometimes, as in the case of the shooter from coffer, these guys get a statue. And I would be very interested, you know, whether.
和改进。有时，就像保险箱里的枪手一样，这些人会得到一座雕像。我会很感兴趣的，你知道，是否。

01:46:59
He probably does, I'm sure there'll be statutes somewhere, but he gets commemorated in, like photos, and, like I said, movies, exactly. And he probably now gets statutes. I don't have, you know, how.
他可能是这样的，我相信会有法律规定，但他会被纪念，比如照片，还有我说过的电影。他现在可能有法律了。你知道，我没有办法。

01:47:12
This memory is now in the 20, first century, in the 2020s.
这个记忆现在是在20世纪，在21世纪20年代。

And, you know, turned into a narrative about, you know, indian freedom of independence. And perhaps, you know, for the modern day, he is protecting and be dad suited because he is a grammatical soldier.
然后，你知道，变成了一个关于，你知道，印度自由独立的故事。也许，你知道，对于现代来说，他是在保护，他很适合爸爸，因为他是一个语法战士。

01:47:29
And who gets upset about the B, fat and not Muslim soldier who gets upset about the Lord?
又有谁会因为一个胖子而不是穆斯林士兵对上帝感到不满呢?

01:47:36
Question. So the, you know, we have these ones that are purposely built to be bland, but what about kind of purposely making monuments land by neglecting them? Because that's kind of what I had. I don't if you saw my postcard, but that was kind of the angle I took with.
的问题。所以，你知道，我们有这些故意建造得平淡无奇的建筑，但如果故意忽略它们，让它们成为纪念碑呢？因为这就是我所拥有的。我不知道你有没有看到我的明信片，但这就是我的角度。

01:47:55
A postcard where a lot of the mule monuments around Delhi are kind of

being neglected, so they sort of luster and the shine wears off.
在明信片上，德里周围的许多骡子纪念碑都被忽视了，所以它们的光泽和光芒逐渐消失了。

01:48:03
I mean, that's probably quite purpose already. No, I mean, if you want to forget something, you just don't maintain it.
我是说，这可能已经是目的了。不，我是说，如果你想忘记某件事，你只要不保留它。

01:48:12
And so, for instance, also for the readings that you were just looking at, and then everybody's postcards, you know, I just can't write 27.
所以，举个例子，你刚才看到的阅读材料，还有每个人的明信片，你知道，我就是写不出27。

01:48:21
And not too bad.
还不错。

01:48:23
At night. But there were also, you know, these tools, right, that are then destroyed or forgotten.
在晚上。但也有一些，你知道，这些工具，然后被摧毁或遗忘。

01:48:31
And that's, of course, a much more efficient way of getting rid of her controversy than taking things down. So take your book it around, for instance.
当然，这是一种更有效的消除争议的方法，而不是把东西拿下来。以你的书为例。

01:48:41
You'll fierce need to put it down.
你一定要把它放下。

01:48:42
Put down Fantastic. It's the largest, you know, public.
放下太棒了。这是最大的，你知道的，公共的。

01:48:48

城市，更少的市场水平。

01:48:58
There were big protests about it. And the government then didn't, you know, do.
对此有很大的抗议。而政府并没有这么做。

01:49:04
But what did they do to the cemetery? They just invented it. They basically said, sure if you want to keep the cemetery, you know.
但是他们对墓地做了什么？他们只是发明了它。他们基本上说，当然，如果你想保留墓地的话。

01:49:11
In the atke and of the 100000 groups that I would suspect, less than a thousand are still being maintained, and the cemetery has been completely overgrown.
在我所怀疑的10万个群体中，只有不到1000个还在维持着，而且墓地已经完全被杂草覆盖了。

01:49:21
This general and which is why a lot of naturalists like to go there now, because they are white balls and monkeys and, you know.

这就是为什么很多博物学家现在喜欢去那里，因为那里有白色的球和猴子，你知道。

01:49:29
Big snakes, and what have, you know?
大蛇什么的，你知道吗?

01:49:31
But, of course, the idea is that ultimately, all of this will be covered, right, and people who have forgotten, you know, that this is an important side.
但是，当然，最终的想法是，所有这些都将被覆盖，对吧，人们已经忘记了，你知道，这是一个重要的方面。

01:49:41
And then they can be developed. And who of you recently, I mean, I know that's not all of you are. The singers have been to me. And the city, pakashhi Maria, The.
然后它们可以被开发。你们最近是谁，我的意思是，我知道不是所有的人。歌手们对我很好。这个城市，帕卡什玛丽亚，那个。

01:49:50
The big department store here in Singapore and Orchestra, but it's also big over Tartoo Cemetery.
新加坡的大百货公司和管弦乐团，还有塔图公墓。

01:49:58
And you may have noticed that if you basically go to the other side, there is this green spot by the spot of jungle.
你可能已经注意到，如果你基本上走到另一边，在丛林的旁边有一个绿色的点。
